Why do you think the ineligible decision for your child should be reconsidered?

Parents/guardians have the **option** to include any additional data and/or information they feel may be relevant to their child's eligibility for AAS. Please submit all optional documents in **one email** to AAS@acps.k12.va.us. Some examples include:

- Up to five, single-sided work samples selected by the parents/guardians
- New test results
- Parents/guardians' narrative about their child via written narrative or a video or audio recording, not to exceed five minutes. (Due to limited email storage space, please send a link to the video, not the video file.)
