

Make a Splash this Summer as a TECH Explorer!

A week-long summer tech camp for grades 3-5 where curiosity makes waves and technology comes to life.

Explore & Create

-  Dive into coding adventures
-  Explore technology with the micro:bit, a hand-held computer
-  Set sail on missions that turn kids into confident tech explorers
-  Receive a camp t-shirt and keep the micro:bit for completing camp

Sign up to receive information about Techie Camps near you!

\$50 Commitment Deposit

To help as many young explorers as possible set sail, TECH Explorer uses a \$50 commitment deposit. Attend and complete camp and it's fully refunded, keeping every seat filled and ready for discovery.

Registration will begin March 9th

Educate. Excite. Empower.
