

Ms. Jordan is a Licensed Master Social Worker and a graduate of New Mexico Highlands University. She brings eight years of experience supporting adolescents and is dedicated to fostering positive outcomes for the students she serves.

Throughout her career, Ms. Jordan has developed a deep appreciation for working alongside teens as they navigate the challenges and successes of this important stage of life. She is committed to helping students overcome barriers to their well-being and academic success by connecting them and their families with valuable community resources. Ms. Jordan takes a creative, individualized approach to her work, recognizing that each student's needs and strengths are unique.

Originally from Kansas City, Ms. Jordan now calls New Mexico home, where she lives with her husband and son. Outside of school, she enjoys spending time with her family, watching movies, and cheering on the Kansas City Chiefs during football season. Some of her favorite places in New Mexico include the ABQ BioPark and Madrid, where she loves experiencing live outdoor music.

Ms. Jordan looks forward to partnering with students, families, and staff to support the school community.
