

Ms. Keyla *School Social Worker*, is a dedicated school social worker committed to supporting underserved students and the families of the Albuquerque Public Schools community. She began her career as an intern at Siembra Leadership High School, where she quickly distinguished herself through her compassion, professionalism, and drive to make a meaningful difference in the lives of students who need support most.

Her professional practice is grounded in advocacy for students from underrepresented and minority backgrounds. As a bilingual social worker, Ms. Keyla bridges communication gaps between school and home, ensuring that Spanish-speaking families feel welcomed, informed, and fully engaged in their student's education.

Ms. Keyla believes deeply in the power of education paired with strong social and emotional support. She is committed to partnering with students, families, teachers, and community resources to foster student success, wellness, and belonging. She looks forward to continuing to grow in her profession and to serving APS families with care, respect, and dedication.
