

Ms. Jennifer *Receptionist & Chief Procurement Office*, is a proud Albuquerque native whose return to serve her community reflects her deep commitment to local education. As a graduate of Health Leadership High School, she brings firsthand experience with the educational model that Siembra Leadership High School shares, giving her unique insight into the student experience.

In her dual role as Receptionist and Chief Procurement Officer, Ms. Jennifer supports the daily operations of the school while helping to cultivate a welcoming and positive environment for students, families, and staff. Her versatility and strong work ethic make her an essential member of the Siembra team.

Bilingual in English and Spanish, Ms. Jennifer is dedicated to building meaningful connections with students and their families. She takes pride in being a consistent source of support, ensuring that every visitor and community member feels valued and heard.

Ms. Jennifer is currently pursuing her long-term goal of becoming a Social Worker, driven by her passion for serving youth and strengthening her community. Her dedication to education and service exemplifies the values of Siembra Leadership High School.
