

Ms. Dively — Bilingual Social Worker & Success Coach, is a dedicated professional committed to supporting student success and well-being. Originally from Denver, Colorado, she was shaped by the natural beauty of the Rocky Mountains and the strong sense of community that defined her upbringing. Her journey eventually brought her to Albuquerque, New Mexico, where she has continued her commitment to service and student advocacy.

Ms. Dively currently serves as a Bilingual Social Worker and Success Coach at Siembra, where she partners with students and families to foster academic achievement, social-emotional growth, and access to meaningful resources. She is also pursuing her degree at New Mexico Highlands University, where she is preparing to become a Licensed Social Worker. Her dedication to both her professional role and her ongoing education reflects her deep belief in lifelong learning and the transformative power of support-based relationships.

Prior to joining Siembra, Ms. Dively worked at a behavioral health center, where she supported teenagers navigating significant social and emotional challenges. That experience strengthened her commitment to equity, advocacy, and being a positive, consistent presence in the lives of the youth she serves.

Ms. Dively is proud to be part of the Albuquerque Public Schools community and looks forward to continuing to support the students and families of Siembra.
