Dear Senior Parents and Guardians,

The countdown is officially on! We are absolutely thrilled to remind you that the 2026 Commencement will take place on May 29th! We could not be more excited for our seniors to cross that stage and celebrate their incredible achievements.

We have just one quarter left to go, and it is packed with tons of exciting activities and milestones. This is a truly joyous and unforgettable time for everyone involved!

As we gear up for this final stretch, we are asking for your help as an active partner between our school and the community. Please take some time to sit down with your senior to talk about the importance of making the right choices to finish out the school year strong.

To ensure every student has the opportunity to celebrate, we need them to stay focused on the following:

- Punctuality: Arriving at school on time, ready to learn.
- Academics: Keeping grades up and finishing classes strong.
- Behavior: Making smart choices and staying out of trouble.

We want to emphasize that participating in Pleasant Valley High School Commencement is a privilege and a truly once-in-a-lifetime opportunity for families. If students do not make the right choices between now and the end of the year, they may be in jeopardy of walking at graduation. Specifically, a student's participation will be at risk if they:

- Violate the student Code of Conduct with Level II or III offenses.
- Fail to pay any outstanding school obligations/handing in district owned property.
- Misbehaving at graduation practice.

May 29th will be here before we know it, and we absolutely cannot wait for you to enjoy that special, proud moment with your family! Let's work together to make sure every single senior gets to experience it.

See you at graduation,

Brian Boylan  
Pleasant Valley High School Principal
