WHEREAS, the Sweet Home Central School District, Erie County, New York (the "District"), after consultation by District officials with the District's retained architectural firm, Young + Wright Architectural (the "Architect"), has resolved that the District should propose to undertake, during the District's pending (2026-2027) fiscal year, a capital outlay project involving modest upgrades and improvements at the District's High School building, such work being anticipated to include, but not necessarily to be limited to, the replacement of the pool starting blocks and the replacement of the doors in the main High School, as well as all associated work (collectively, the "Project"); and

WHEREAS, the estimated maximum cost of the Project (inclusive of all preliminary and incidental costs) has been determined by the Architect to be \$100,000; and

WHEREAS, the District is proposing that the Project be financed by the application of \$100,000 of funds to be earmarked for such purpose as a "Transfer to Capital Fund" in the District's pending (i.e., 2026-2027) budget, with the work on the Project being anticipated to occur (and be completed) during the 2026-2027 fiscal year of the District; and

WHEREAS, the District wishes to reserve the right to expand, contract, or modify the scope of the Project in light of the level of future bids received, with the understanding that the estimated maximum cost of the Project will not exceed \$100,000; and

WHEREAS, in accordance with State Education Department ("SED") guidance and policy, the District and its Board of Education is the appropriate agency to be the lead agency to undertake Project review under the State Environmental Quality Review Act ("SEQRA"); and

the MOU's exemption form, a project is exempt from SHPO review if, among other possible reasons, a building is 50 years old or older but has previously been evaluated by SHPO and found not to meet the criteria for inclusion in the State and National Registers of Historic Places (the "Registers"); and

WHEREAS, as indicated in the Cultural Resource Information System ("CRIS"), SHPO has determined in 2018 that the High School building is "not eligible" for listing on the Registers because it does not meet the criteria for inclusion in the Registers; and

WHEREAS, although the High School building is "not eligible" for listing on the Registers, and the Architect has determined that the proposed work is exempt from review by SHPO given that it has no anticipated impacts on historic and archeological resources under the terms of the MOU, the Architect may nonetheless choose to submit information on the proposed work to SHPO for confirmation;

NOW THEREFORE, BE IT RESOLVED, that it is the final determination that the District/Board is the lead agency for the review of the proposed action, that the proposed Project is a Type II action, which is not subject to review under SEQRA, and that the proposed Project will not result in a significant adverse impact on the environment; and be it further

RESOLVED, that the proposed Project shall be included as a "Transfer to Capital Fund" line item (not exceeding \$100,000 in amount) in the District's proposed budget for the 2026-2027 fiscal year (with appropriate additional notification to District voters regarding the anticipated details of the work to be given in connection with the District's regular budget approval process), so that such Project may be initiated and completed (assuming voter approval of the District's proposed budget) during the District's 2026-2027 fiscal year; and be it further

RESOLVED, that this resolution shall take effect immediately.
