DIRECT DEPOSIT

The Town of Weymouth requires the use of direct deposit for all employees unless otherwise stated in a collective bargaining agreement. This benefit allows you to have your paycheck deposited electronically to any bank account(s) YOU specify. There are no restrictions on your choice of financial institutions.

Direct deposit will benefit you in many ways. There is no need to stand in line at the bank and there will be no hold on your money until your payroll check clears. Your money is available for immediate use each Thursday at 12:01 a.m. To sign up for direct deposit, please complete the information requested below. Please attach a voided check or a Bank Authorization form for all direct deposits and return them to the Human Resources Department.

Additionally, you may now have your statement emailed to you password protected. If you would like to sign up for this option please enter your email address below. Passwords are the last 4 digits of your social security number.
