Open Enrollment Begins February 2

What is Public School Open Enrollment?

Wisconsin's inter-district public school open enrollment program allows students and families who don't live in our district to open enroll into the Eau Claire Area School District.

Who May Participate?

Wisconsin residents in grades K-12 may apply to participate in open enrollment. Students in pre-kindergarten may participate in limited circumstances; parents should call the Enrollment Office at 715-852-3063 to find out if their preschool-aged children qualify.

How and When May Parents Apply?

The regular open enrollment application window is February 2, 2026, through April 30, 2026, at 4:00 pm for the 2026-2027 school year. Parents may submit online applications beginning February 2, 2026, at the Wisconsin Department of Instruction website at <https://dpi.wi.gov/open-enrollment>. Please call 715-852-3063 or email districtadministration@ecasd.us for more information.

Have you moved out of the district during the 2025-2026 school year?

If so, you must apply for a Tuition Waiver to continue attending the Eau Claire Area School District for the remainder of the 2025-2026 school year. Contact the Enrollment Office at 715-852-3063 or email districtadministration@ecasd.us for an application.

Students Currently Attending the ECASD Through a Tuition Waiver

Students who have moved outside of the district during the 2025-2026 school year and are currently attending school under a Tuition Waiver must apply for open enrollment during the regular application window, February 2, 2026, through April 30, 2026, to continue attending during the 2026-2027 school year.

Current Open Enrollment Students

Students currently attending the Eau Claire Area School District under the open enrollment law do not need to reapply.

Other Information

Students who move into the district after January 2026 and anticipate moving out of the district before the 2026-2027 school year will not be eligible for a Tuition Waiver. Students must apply for open enrollment during either the regular open enrollment or alternative open enrollment period to be eligible to attend the Eau Claire Area School District during the 2026-2027 school year.

School Placement

By completing an open enrollment application, you are applying to attend the Eau Claire Area School District. You can indicate which school your child would prefer to attend; however, the district will determine placement based on space availability.

Questions?

If you have any questions about open enrollment or the application process, please contact the Enrollment Office at 715-852-3063 or email districtadministration@ecasd.us.
