Resolution in Support of Military Children and Their Families

WHEREAS, our country, state, and the Canutillo Independent School District community owe our freedoms to the members of the Armed Forces and their families who share in their service and sacrifice; and

WHEREAS, we recognize and celebrate the exceptional service, strength, resilience, and character of military-connected students and their families; and

WHEREAS, military children face unique challenges including frequent relocations, parental deployments, extended separations, reintegration, and other circumstances associated with military life; and

WHEREAS, the resilience and adaptability of military children contribute significantly to the well-being of their families and reflect the strength of our Armed Forces; and

WHEREAS, schools, communities, and organizations play a vital role in creating a welcoming, inclusive, and supportive environment that ensures military-connected students have access to the academic, social, and emotional resources they need to succeed; and

WHEREAS, the faculty and staff of Reyes Elementary School are committed to supporting military-connected students and their families by:

- Ensuring access to high-quality educational opportunities that promote academic success and social-emotional development;
- Providing resources and services to ease transitions associated with relocations and deployments;
- Collaborating with military installations, community organizations, and support networks;
- Encouraging family engagement and recognizing the important role military parents and guardians play; and
- Honoring military children during the Month of the Military Child in April and recognizing military families throughout the year;

BE IT THEREFORE RESOLVED, that we, the administrators, teachers, and staff of Reyes Elementary School, proudly affirm our commitment to supporting military-connected students and their families and pledge to continuously strengthen our efforts to ensure they feel valued, supported, and empowered to succeed.

BE IT FURTHER RESOLVED, that this resolution serves as a formal expression of our gratitude, respect, and ongoing dedication to military children and their families within our school community.

Signed:

Adopted this 17 day of April, 2026.
