Bids and Quotes	The following bids and quotes were approved. 1. Campbell County High School Site Demolition - Phase I was awarded to DRM, Inc., for \$584,734.00. 2. Elementary Playground Replacements were awarded to Miracle PlaySystems through their Sourcewell Cooperative Contract for 4-J Elementary (\$248,598.00); Rawhide Elementary (\$248,410.00), and Rozet Elementary (\$249.936.00) for a total of \$849,678.00. 3. Interactive Touch Screens were awarded to Ed Tech for \$186,202.79. 4. Light Bulbs and Fluorescent Lighting for Spring 2026 were awarded to Crum Electric Supply to run from February 2026 to June 30, 2026, with the option to renew annually. for up to three (3) additional years ending June 30, 2029. CCSD reserves the right to order specific lights from Lighting Supply Guy, Service Lamp Corp., and Tourbillon Enterprises LLC for items that could result in a significant cost savings to the District.
Contracts and Agreements	The following contracts and agreements were approved: 1. Conestoga Elementary Spring Book Fair Agreement with Scholastic 2. Conestoga Elementary Spring Book Fair Agreement with Paper Pie Learning 3. Special Education Residential Services Agreement In-State Placement with Northeast Wyoming Board of Cooperative Educational Services (N.E.W. BOCES)
Ratified Out-of-District (ODP) Special Education Agreements	Approval was given for the following ratified out-of-district (ODP) special education agreements: 1. Special Education Residential Out-of-State Placement with Kids Behavioral Health of Utah. DBA Copper Hills Youth Center 2. Special Education Related Services Agreement for Students with Disabilities
Facility Update	Mr. Bartlett provided a facility update on the following: • Aquatic Center – It will be shut down potentially in May for punch list and warranty items to be addressed, and the District staff will perform annual preventative maintenance. During this time, the Campbell County Public Recreation Center pool will reserve lap swim times for high school and club swimmers. • Conestoga - School Facilities Department (SFD) is reviewing items the district requested to be included in the project. They will reach out when an updated draft is ready for review. • Campbell County High School *Phase I - The demolition of outbuildings, the east parking lot, and the construction of temporary parking south of the building will begin this week, anticipated to be completed, weather permitting, by April 20. *Phase II - Stadium is currently out for advertising, bids will open March 10, work will include a portion of the new bus loop, track and field, lights/scoreboard, bleacher seating, pavilion buildings, which will house locker rooms, training room, restrooms, concessions, and athletic storage. *Phase III - High School Construction - Currently reviewing design updates, anticipated to be bid in June. • Transportation - Design work has started up again, and adjustments to the building and site plans have been submitted to the architect to include district requests and SFD recommendations. They could potentially be ready to bid in late June or early July, depending on consultant availability and time lost to the value engineering process. • Cottonwood HVAC - Interior demolition began last week, purging and packing are in process. • District Re-Key RFP - Ready for advertising, will be put out to bid in the next couple of weeks, most likely will be a two-year rollout, as every lock in the district will need to be replaced. The process will begin at the secondary level. CCHS and Transportation will be completed during construction.
Legislative Update	Mr. Bartlett provided a legislative update: • HB105 - K-12 School Facilities Appropriations, which passed the House, Senate Appropriations amendment (increased state-wide security funding from \$5M to 10M, and was referred back to the Senate. • SF0059 K-12 Language and Literacy Program, which has passed the Senate and was introduced and referred to the House Education Committee.
Retiree Insurance	Mrs. Sylte and Benefits Specialist Laurie Christenson provided information and requested approval to phase out retiree insurance. Current retirees utilizing the plan will be grandfathered in. The district offers retiree insurance to employees who have retired, exhausted COBRA benefits, and meet the minimum eligibility requirements for retiree coverage. At present, six retirees participate in the program, and the district has not had any new enrollees or individuals eligible to enroll since March 2024. The district is required

to complete an actuarial valuation report every two years; the cost of the report is \$19,500.00, which is significant given the current enrollment of six participants. Based on the report, the district should be charging retirees 60% above actual premium costs; currently, it charges 45% above premiums, and adjusting to 60% would put it in compliance with the valuation report recommendations. Most employees can secure more affordable coverage through the Health Insurance Marketplace, given the declining enrollment and the cost associated with maintaining the program.

Mr. Christensen motioned to approve the phase-out of retiree insurance and to grandfather in current retirees utilizing the plan. Mr. Williams seconded the motion, and it carried unanimously.

Public Comments	• Concerns with tenure practices, processes, and transparency. • A big shout-out to Stocktrail Elementary and their amazing DLI program and the positive culture in the building. • The kindergarten music program at Stocktrail was awe-inspiring and beautiful. • Thankfulness expressed to Mr. Williams and Mr. Albin for visiting Meadowlark; the students and the staff were very excited. • A question was raised regarding the cost estimates for the different facilities planned for the new CCHS school.
Trustee Celebrations	Chairman Durgin celebrated the "blue" on Westwood High School's academic report, which indicates that overall school performance exceeds expectations. This is a significant achievement for the school, and kudos to Principal Morehead and her staff. Mr. Christensen recognized Wagonwheel Elementary for their hard work and excellence in receiving the Blue Ribbon School award. This is a major accomplishment, as only three schools in Wyoming received the award, making it a cause for celebration.
Adjournment	With no other business before the board, the meeting was adjourned at 8:10 PM.
