SHEBOYGAN AREA

— SCHOOL DISTRICT —

Welcome!

At Sheboygan Area School District, we recognize our ultimate success depends on our talented and dedicated workforce. We understand the contribution each employee makes to our accomplishments and so our goal is to provide a comprehensive program of competitive benefits to attract and retain the best employees available. Through our benefits programs we strive to support the needs of our employees and their dependents by providing a benefit package that is easy to understand, easy to access and affordable for all our employees. This brochure will help you choose the type of plan and level of coverage that is right for you.

You can also view overviews of our benefit plans by accessing our website, [MySASD](#).

Sincerely,

Mark Boehlke

Mark Boehlke
Assistant Superintendent of Business & Operational Resources

Eligibility

Eligible Employees:

You may enroll in the Sheboygan Area School District Employee Benefits Program if you are an employee working at least 20 hours per week.

Eligible Dependents:

If you are eligible for our benefits, then your dependents are too. In general, eligible dependents include your legal spouse and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided. Children may include natural, adopted, stepchildren and children obtained through court-appointed legal guardianship.

When Coverage Begins:

Newly hired employees and their eligible dependents will be effective in Sheboygan Area School District's benefits programs on the 1st day of the month following your date of hire. All elections are in effect for the entire plan year and can only be changed during Open Enrollment unless you experience a family status event.

Family Status Change:

A change in family status is a change in your personal life that may impact your eligibility or dependent's eligibility for benefits. Examples of some family status changes include:

- Change of legal marital status (i.e., marriage, divorce, death of spouse, legal separation)
- Change in number of dependents (i.e., birth, adoption, death of dependent, ineligibility due to age)
- Change in employment or job status (spousal loss of other coverage, etc.)

If such a change occurs, you must make the changes to your benefits within 31 days of the event date. Documentation may be required to verify your change of status. Failure to request a change of status within 31 days of the event may result in your having to wait until the next open enrollment period to make your change. Please contact your Payroll & Benefits Specialist to make these changes

Annual Open Enrollment

Open Enrollment is a one-time event each year which allows eligible Sheboygan Area School District employees to enroll, retain, change, or waive their insurance coverage plans for medical, dental, vision and flexible spending. All employees eligible for insurance must complete Open Enrollment each year even if there are no changes to your current plan or if you are electing to waive coverage.

To enroll or make changes during the open enrollment period, all submissions must be done electronically on Skyward via Online Open Enrollment. The Online Open Enrollment is typically offered from November 1st through November 14th for coverage effective January 1st.

*If you use a branded medication instead of its generic equivalent, you pay your plan's applicable brand copayment plus a penalty. This penalty is the difference in cost between the brand and generic medications. Your out-of-pocket cost for the brand may be up to the entire cost of the medication. However, you will not be charged a penalty if your doctor tells the pharmacy to give you the brand instead of the generic.

Optum RX Price Edge

This discount price solution helps you save on generic medications whether they are covered by your pharmacy benefit plan or not. Here's how it works:

You are already set up! There is nothing to do on your side.

Fill your prescriptions as usual and automatically get lower copays on some covered medications.

For medications not covered, even over-the-counter products, receive a discounted price with a prescription from your doctor.

Step-Therapy

- With this program, for certain medications you need to try a Step 1 medication first, before a Step 2 medication may be covered. When you bring a prescription to the pharmacy, our system will automatically screen the medication for step therapy requirements.
- We encourage you to discuss your treatment and medication options with your doctor. If you have questions about the Step Therapy program, call the toll-free member phone number on your ID card.
- **You can get a short-term supply of medication while your coverage is reviewed! Just ask your pharmacist!**

NexusACO

NEW! Effective 1/1/26 we will be utilizing the UHC network called NexusACO.

As part of the NexusACO network, you will have access to two tiers of network benefits:

Tier 1 (lowest-cost option): Those utilizing in-network care from Tier 1 providers can take advantage of richer medical benefits and lower costs. Look for the Tier 1 symbol when doing a provider search at myuhc.com under the NexusACO network option.

Tier 1 providers are: Froedtert, Advocate Aurora, Medical College of WI, Children's Hospital of WI

Tier 2: As a second in-network benefit, those utilizing care from other in-network providers (Tier 2 providers) will also receive better value for health care benefits compared to out-of-network providers.

You are required to select a Primary Care Physician (PCP) from the plan network. Because members may have a higher level of benefits when they see Tier 1 providers, we encourage primary care providers (PCPs) to refer members to Tier 1 providers. Preventive care is covered at 100%.

IMPORTANT: For those who use the InHealth Clinic as their PCP, even though you are required to elect a PCP in the Nexus ACO network, you are not required to visit them for your Primary care. **You can still receive this care at the InHealth clinic with no penalties.**

If you need to see a specialist, you do not need a referral.

You can choose care that is out-of-network.

However, the care will likely cost you more than using a Tier 1 or Tier 2 provider

Look for TIER 1 care first

Where you go for care can make a difference.

Tier 1 providers are doctors, hospitals and other health care facilities that may offer you the greatest value for your health care benefits.*

Look for the Tier 1 symbol when doing a network search at umr.com

Tier 1 (lowest-cost option) **Network** **Out-of-network**

Flexible Spending Accounts

The Flexible Spending Account (FSA) plan with Sheboygan Area School District allows you to set aside pre-tax dollars to cover qualified expenses you would normally pay out of your pocket with post-tax dollars. The plan is comprised of a health care spending account and a dependent care account. You pay no federal or state income taxes on the money you place in an FSA. The FSA plan is administered by Employee Benefits Corporation (EBC).

How an FSA works:

- Choose a specific amount of money to contribute each pay period, pre-tax, to one or both accounts during the year.
- The amount is automatically deducted from your pay at the same level each pay period.
- Health Care FSA funds are available on the first day of your plan year.
- Dependent Care FSA funds are only available as your payroll deductions are deposited to your account.
- As you incur eligible expenses, you may use your flexible spending debit card to pay at the point of service OR submit the appropriate paperwork to be reimbursed by the plan.

Important rules to keep in mind:

- The IRS has a strict “use it or lose it” rule. If you do not use the full amount in your FSA, you are allowed to carry over a maximum of \$680 into the 2026 plan year. You will lose any remaining funds over \$ 680.
- Once you enroll in the FSA, you cannot change your contribution amount during the year unless you experience a qualifying life event.
- You cannot transfer funds from one FSA to another.

Eligible Expenses:

FSA monies can be used to pay for IRS qualified medical, dental and vision expenses. This now includes over-the-counter medications and medical supplies.

Read these publications on www.irs.gov/publication:

- IRS Publication 969 regarding allowed over-the-counter medications and medical supplies
- Publication 502 outlining qualified medical expenses

Please plan your FSA contributions carefully. Re-enrollment is required each year.

2026 Maximum Annual Election	
Health Care FSA	\$3,400
Dependent Care FSA	\$7,500

ADA NOTICE REGARDING WELLNESS PROGRAMS

Sheboygan Area School District's wellness program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a routine physical with a primary care physician or licensed nurse practitioner. You will also be asked to complete a biometric screening, which will include a blood test equivalent to a Complete Blood Count (CBC) panel. You are not required to complete the routine physical or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of a premium discount for participating. Although you are not required to complete the routine physical or participate in the biometric screening, only employees who do so will receive the premium discount.

Additional incentives of up to 3.6% may be available for employees who participate in certain health-related activities outlined in the Sheboygan Area School District wellness guide. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Jami Hintz at (920) 459-3554 or jhintz@sasd.net.

The information from your routine physical and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks and are not disclosed to SASD. You also are encouraged to share your results or concerns with your own doctor.

Although the wellness program and Sheboygan Area School District may use aggregate information it collects to design a program based on identified health risks in the workplace, Marquee will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is a Marquee healthcare professional in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

MEDICARE PART D CREDITABLE COVERAGE NOTICE

Important Notice from Sheboygan Area School District About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Sheboygan Area School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Sheboygan Area School District has determined that the prescription drug coverage offered by the Sheboygan Area School District Health Plan for the plan year 2026 is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered **Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, the following options may apply:

- You may stay in the Sheboygan Area School District Health Plan and not enroll in the Medicare prescription drug coverage at this time. You may be able to enroll in the Medicare prescription drug program at a later date without penalty either:
 - During the Medicare prescription drug annual enrollment period, or
 - If you lose Sheboygan Area School District Health Plan creditable coverage.
- You may stay in the Sheboygan Area School District Health Plan and also enroll in a Medicare prescription drug plan. The Sheboygan Area School District Health Plan will be the primary payer for prescription drugs and Medicare Part D will become the secondary payer.
- You may decline coverage in the Sheboygan Area School District Health Plan and enroll in Medicare as your only payer for all medical and prescription drug expenses. If you do not enroll in the Sheboygan

Area School District Health Plan, you are not able to receive coverage through the plan unless and until you are eligible to reenroll in the plan at the next open enrollment period or due to a status change under the cafeteria plan or special enrollment event.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Sheboygan Area School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Sheboygan Area School District changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of March 17, 2025. Contact your State for more information on eligibility –

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.²

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution – as well as your employee contribution to employment-based coverage – is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all these factors in determining whether to purchase a health plan through the Marketplace.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children’s Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023, and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage. In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023, and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

Eligible employees are employees who are reasonably expected to work 20 hours a week or more based upon a determination made upon hire or change to a new position.

- With respect to dependents:

- We do offer coverage. Eligible dependents are:

Eligible dependents are a lawful spouse of the covered employee and qualified dependent children as defined by the plan.

- We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

- ** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
