SCHOOL & COMMUNITY

Built in 1925, Washburn is one of seven comprehensive urban public high schools in the Minneapolis School District. The district serves nearly 33,000 students of which 1594 of them are Washburn students. Washburn High School educates students in grades 9-12 and is located in the Tangletown neighborhood of southwest Minneapolis amidst the city's renowned parks and lakes system. The community of Washburn students, families, and staff is proud of its ethnic, racial, linguistic, and religious diversity as it draws from attendance boundaries that span across these multiple strata. Washburn is fully accredited by the State of Minnesota and the North Central Association of Colleges and Secondary Schools.

CURRICULUM

Washburn High School provides a rigorous college preparatory curriculum. The International Baccalaureate (IB) Diploma Programme was authorized in 2012 and the program has seen exponential growth since its inception. Along with college-level coursework, students are engaged in independent research and creative, physical and community service activities all of which can lead to the awarding of the internationally recognized IB Diploma. Only the most dedicated and ambitious students attempt to earn the diploma, but many students take IB coursework for enrichment. Additionally, Washburn offers Advanced Placement (AP) coursework. Students can also take dual high school/college credit courses offered on campus through community college partners.

POST-SECONDARY ENROLLMENT OPTIONS

Minnesota offers a dual-credit post-secondary enrollment program (PSEO) which allows qualified students to take courses at local colleges and universities. Each program has its own unique set of qualifications and applications to allow students to access these opportunities.

UMTYUMP

Highly accelerated mathematics students can apply for the University of Minnesota Talented Youth Mathematics Program beginning in 7th grade and take most or all of their high school math coursework at the University. Credits are applied to the high school transcript.

CURRICULUM RATING

In accordance with the Common App School Report, Washburn counselors apply an internal and uniform 5-point rating system for each students' course selection that is reported in the Common App School Report.

<i>Highest unweighted GPA in Class of 2024: 4.00 (13)</i>	

Unless dictated by an IEP or extenuating circumstances, all courses are taken for a letter grade (except "Teacher Aide"). Students may opt to take one class on a CR/NC basis one per quarter. GPA's are re-calculated on a quarterly basis. Minneapolis Public Schools does not allow for weighted grades. Washburn uses decile ranking.

- **Courses taken through Minnesota's PSEO program** are applied to a Washburn are translated "as is" (un-weighted) from the University's or College's transcript.
- Transfer student grades are applied to a Washburn transcript as is from the sending domestic institution.
- **Transcripts from international schools** are typically interpreted to the scale provided by the international scale when available
- **All grades earned in summer school** or in our credit recovery program are valued the same as those earned during the school year.
- **High School courses completed during middle school** (e.g., Intermediate Algebra and Geometry) may be listed on transcripts and are applied toward graduation requirements. Grades earned are not averaged into a student's cumulative GPA.
