New Law: Device Restrictions During School Day

The 89th Texas Legislative Session passed **House Bill 1481**, which restricts the use of personal communication devices (like phones and smartwatches) during the school day. Students may only use devices if authorized for educational or medical purposes. Thank you for supporting a focused learning environment.

Your safety matters

Our P3 Anonymous Reporting system gives students, staff, and community members a safe, secure way to report concerning behavior. If you see something that doesn't feel right, whether it's a potential threat, bullying, or anything that could impact someone's safety, you can report it anonymously.

No names. No pressure. Just a way to speak up and help keep our schools safe.

Reports can be submitted anytime through the P3 app or online. Every report is taken seriously and reviewed promptly.

Speak up. Stay safe. Support one another.
