Speech and Language Pathologist - Consultancy Contract

Position Summary: The American International School Dhaka is seeking a skilled, passionate Speech and Language Pathologist to join our Inclusionary Learning Center on a consultancy basis. Working alongside our school Doctor and Occupational Therapist, you'll support students' communication, academic, and social-emotional development — and extend your impact to partner international schools in Dhaka. Professional development and mentorship are part of the package.

Educational Qualifications:

- Master's degree in Speech-Language Pathology or a related field.
- Valid certification as a Speech-Language Pathologist.

Experience:

- Proven experience working with Pre-K-12 students with diverse communication needs.

Skills & Competencies:

- **Communication:** You speak clearly, listen well, and write with precision.
- **Assessment:** You identify needs and strengths accurately and design evaluations that inform meaningful intervention.
- **Collaboration:** You build strong partnerships with parents, teachers, and specialist colleagues.
- **Patience and empathy:** You support students through difficulty without losing heart.
- **Professional currency:** Your practice reflects current research and a growing intervention toolkit.
- **Adaptability:** You adjust plans responsively as student needs evolve.
- **Advocacy:** You are a consistent, committed voice for your students.
- **Organisation:** You manage caseloads, documentation, and scheduling across multiple settings with care and attention

MAJOR AREAS OF RESPONSIBILITY INCLUDE

Assess & Diagnose

- Conduct comprehensive speech, language, and communication evaluations using standardized assessments
- Differentiate between language differences and language disorders

Intervene & Serve

- Develop, implement, and monitor measurable Individualized Education Programs (IEPs) or Individualized Family Service Plans (IFSPs) aligned with curriculum standards and student needs
- Provide evidence-based interventions through flexible service delivery models including:
 - Individual therapy sessions for intensive skill development
 - Small group sessions for peer interaction and generalization
 - Push-in classroom support and co-teaching to address goals within the academic context
 - Collaborative consultation with teachers to embed communication strategies

“Preparing students to become stewards of a just and sustainable world.”

- Design and implement interventions for language processing disorders, addressing receptive, expressive, and processing components that impact academic achievement
- Support literacy development through phonological awareness training, vocabulary development, reading comprehension strategies, and written language skills
- Work within our Multi-Tiered Systems of Support (MTSS) framework

Collaborate & Consult

- Build trusting relationships with students and families through regular communication
- Partner with general and special education teachers to:
 - Align speech-language goals with curriculum objectives
 - Model language facilitation strategies in the classroom
 - Adapt instructional materials and assessments for students with communication needs

Professional Responsibilities

- Maintain comprehensive documentation including evaluation reports and IEP progress monitoring
- Collect and analyze data to inform intervention decisions and demonstrate student progress
- Stay current with evidence-based practices through ongoing professional development
- Contribute to program development and quality improvement initiatives

We are looking for a talented therapist who shares our values of inclusion, innovation, and student empowerment. Together, we will create ripples of positive change in our students' lives for years to come.
