Merit Scholarship Information

Goal

The goal of a Merit Scholarship is to make QSI International School of Bratislava an affordable option to families. Merit Scholarships are limited in number and may not be offered every year. Merit Scholarships are open to any nationality. Students who attend a QSI school paying full tuition are not eligible for Merit Scholarships. Parents or guardians of the Merit Scholarship candidate may be required to sign an attestation that they cannot afford more than the amount of the Merit Scholarship.

Students and families under the Merit scholarship program must meet the same criteria and guidelines as those who pay full tuition rates.

Outline of Policy

- An award of a Merit Scholarship is not guaranteed with a completed application.
- All Merit Scholarship applications will go through a similar selection process.
- Nationality of the student is not a determining factor in the decision to award a Merit scholarship.
- Merit scholarship students cannot enter a class of more than 18 students; the school will not hire additional teachers to accommodate reduced tuition students.
- No additional staff will be hired because of increased enrollment due to the Merit Scholarship program.
- Merit scholarship families and students will be held accountable for the same expectations of any student for academic performance, behavior, and community involvement and in accordance with the Student- Parent Handbook.
- If a company reduces their academic support, families are ineligible for Merit scholarships for 2 (two) academic years. (Companies cannot remove support of families and expect them to receive reduced tuition).
- Merit Scholarships fees are 60% of full tuition fee (40% discount of the annual published tuition).
- In accordance with our school's scholarship policy, Capital Funds fees will be waived for scholarship students. Registration fees are still required.
