

Parent Bulletin Friday 17th April 2026

Dear Parents and Carers

I hope you all enjoyed a great Easter holiday with your children. It has been a pleasure to welcome everyone back to school this week and attendance has been great. Thank you to the parents of Year 11, 12 and 13 students who supported the Easter school classes we had. I hope these were all beneficial.

The start of the summer term has brought with it warmer weather (we hope) and the opportunity for students to wear the polo shirt that is our summer uniform. I hope to see many more students wearing this as it gets warmer and we will expect students who do not wear the summer uniform to wear the full uniform, with the tie, correctly.

We had some great sporting successes this week when our Year 8 and 10 football teams won their latest matches. Year 8 beating Dedworth Middle School and Year 10 beating St Joseph's. Let's hope the run of success continues!

Next week we are expecting to see all Year 12 parents on Thursday for the annual Year 12 Parents' Evening. Bookings are through School Cloud as usual so please make sure you have done that. We also have a Mexican food themed lunch on Wednesday, Seniores in the evening with BBC journalist Rich Preston and Angelou House are selling samosas on Friday to raise money for their charity, SHOC (Slough Homeless Our Concern).

Online safety

This week's online safety guidance is about what parents need to know about Snapchat
You can access the details online [here](#)

I have come in order that you might have life – life in all its fullness (John 10:10)

School Safety Update

On Monday 13th April, we welcomed a knife arch into school as part of our ongoing work to promote safety, reassurance and awareness within our school community. The visit formed part of our proactive approach to education and prevention, helping to reinforce important messages about making safe and responsible choices. We are pleased to confirm that no items of concern were found. We would like to thank students and families for their continued support in maintaining a safe and positive environment for all. As a reminder, students are not permitted to bring chewing gum or energy drinks into school.

Have a great weekend.

Yours sincerely

Peter Collins
Headteacher
