____ Session Two: 9:30-11:00 am

____ Session Three: 11:00-12:30 pm

*Students must attend 1 daily lab session for each course they are enrolled

2026 High School Summer School will be **free of charge** to all Lancaster City Schools students. Students from outside the district should contact LHS for availability and fee schedule.

Most course offerings are remedial in nature, and students must have previously failed the course. The exceptions are Financial Literacy and Health, which can be taken for either first time or remedial credit.

GENERAL INFORMATION

CONFIRMATION OF ENROLLMENT

Students will be notified if a course is canceled. Class lists will be posted at Lancaster High School on June 1. All classes begin June 1, 2026. A minimum enrollment of 15 students is needed for any summer school course to be offered.

ROOM ASSIGNMENT

Students enrolled in summer school will take courses through our online curriculum-*Edgenuity*. Courses will be completed at the LHS Stanbery Campus

ATTENDANCE

Because of the limited time involved, **students must attend their assigned lab session daily.** *Only two absences* are permitted in any class and a physician's note to the coordinator upon returning to class is required. Unexcused absences and/or tardiness will result in a student being dropped from the course. Two tardies equal one absence. Students are required to spend additional time beyond their scheduled lab session to complete assignments. All coursework and exams must be completed by June 26 for credit to be earned. We will have certified teachers available during lab sessions for students who are in need of assistance.

FEES

For 2026, Summer School will be **FREE OF CHARGE for all LHS Students.** Non-LHS Students - Students will be charged a fee of \$50 for one-fourth and one-half credit courses and \$65 for a full-credit course. Normal fee waivers (free lunch recipients) will apply to Summer School fees. For each course All Non-LHS students are required to pay an additional application processing expense of \$25 for one-fourth or one-half credit course and \$35 for a full credit course. This expense is due when the student registers for class.

REFUND POLICY

Students may not withdraw from a course after the first day of class nor receive any refund of monies paid. Students withdrawing at any time before the first day of summer school will receive a refund of all fees, provided a paid fee receipt accompanies the request. The only exception to this regulation will be personal illness as certified by a physician or in dire emergency situations.

GRADES

The final grade will be sent to the principal's office where the student will be enrolled for the 2026-27 school year, and will be mailed to the student at the completion of summer school, after all fees are paid, at the address listed on the registration form.

MAXIMUM CREDIT

A student may take a maximum of two (2) full credits of work. You may only receive credit once in your high school career for the same subject in summer school.

STUDENT BEHAVIOR

Students are expected to adhere to all rules regarding behavior as outlined in the Lancaster High School handbook. Any violations may result in removal from the summer school program; no refunds will be provided.

ELIGIBILITY

Summer school is available to all students who reside within the Lancaster City School District. Out-of-district students will be accepted if space is available.
