Senior Newsletter

Message from Mrs. Tedder?

Senior Year is HERE!!!! I'm so excited for each of you. This year you will experience many "last" events, BUT you will also experience many "new" adventures. We will look at college choices, scholarships and financial aid. Each of these things will be a year-long process. I will use this newsletter to give you information on scholarships and financial aid. Here is what I have so far...

Morehead-Cain Scholarship

The Morehead-Cain Scholarship is a full-ride to UNC Chapel-Hill. You can be nominated by your school or do a self-nomination. School nominations have already been determined, but you can self-nominate. The application opens **August 15th, 2024**. The Morehead-Cain scholarship committee looks at leadership, academic excellence, moral character, and physical vigor.

What are the steps to applying:

1. Complete your residency with your parents through ncresidency.org. The residency form is there to make sure you get in-state tuition if you go to an in-state NC college.
2. Complete an application. You can use commonapp.org, CFNC.org or the college of your choice's application. A. Make sure you get an adult in your circle to look over the application. B. If your college application requires an essay, please have someone edit it before you submit it. C. Get teacher recommendations using your brag sheet.
3. Complete your FAFSA after October 1, 2024. We plan to have a FAFSA Night around October 1st
4. Three legitimate scholarship searches you can use are as follows: scholarships.com; goingmerry.com; cfnc.org
