EASTER BREAK

BY: AMINA

Happy Early Easter! Easter is this upcoming Sunday, on April 5th; meanwhile, Easter break begins on April 3rd and will end April 6th. This break will operate somewhat differently, however, as high school classes will be out of session, while on the other hand, DDCC classes will continue to operate normally. Make sure you ask your professor whether or not you will have class on Monday! Depending on your professor, you may or may not have to attend. Other than that, enjoy your Easter break!

LOCAL BUSINESS - THE FACTORY

BY: AUBREY

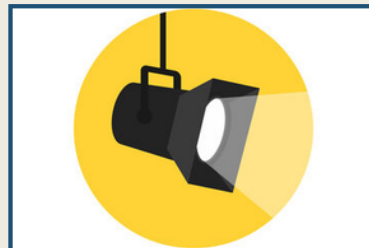

The Factory in Mocksville has been a local shop since 2018, and was purchased in 2020 to promote growth in the city. It is currently a father-daughter shop that is praised for its cozy and safe atmosphere. It is both a sit-down shop and a quick run-in and grab a cup. The foods and drinks usually span from anywhere to 1-10 dollars, making it also a good option if you are on a budget. Hours are 7 am-2 pm every day, except Saturday, which is 8 am-1 pm, and they are closed on Sunday.

STAFF SPOTLIGHT - MRS. CURTY

BY: NANA

This week's staff spotlight is the wonderful Mrs. Curty! Mrs. Curty is our high school's English 1 and 2 instructor, and she works hard around the school. Alongside taking on our school's Battle of the Books and Yearbook clubs as the sponsor and head, she organized opportunities for students to learn about the Holocaust, one of the worst crimes of humanity. She is a sociable, fun, and open teacher, and she shows a deep love for teaching and students who get to learn from her. Be sure to greet Mrs. Curty anytime you are able to, she'll be sure to return it with a warm greeting and a welcoming smile.

STEEL BALL RUN AND NETFLIX

BY: AMINA

I'm sure most here have heard of Jojo's Bizarre Adventure. Well, it just got another anime adaptation for more of its manga, and things haven't gone as expected. Netflix, which has the other Jojo's Bizarre Adventure parts on its streaming platform, has only released one episode of Steel Ball Run! This in turn has led to fans of the franchise swarming the company's comment section across social media platforms, posting edited photos of characters such as Johnny Joestar and Gyro Zeppeli asking Netflix about where episode 2 and the rest of the anime were.
