APPLY FOR SCHOLARSHIPS!

BY: HAVEN

There are many amazing scholarships with deadlines coming up soon! Whether you're a senior or a freshman, you should be looking at and applying for whatever scholarships you can. Scholarships can reduce the amount of money you're going to have to pay for school, and most of the time, they can be put towards a 2-year or a 4-year degree. However, it's always a good idea to check the requirements of the scholarship. If you're a senior, make sure you're checking Mrs. Tedder's senior newsletters for scholarships frequently!
