Head: Ms Emma Watson, BEng, MBA

May 2026

Dear Parents

I am sure you will soon be purchasing items of school uniform and whilst we do all we can to minimise the cost and amount of school uniform, it remains a costly business. We therefore ask that all items of school uniform and any belongings such as calculators, pencil cases and mobile phones are named.

The name labels that we are offering are all available in the house colours. Lost property can be a problem and often a source of unease for girls so we aim to have systems that enable your daughter to be reunited with her property as quickly as possible. The house coloured font on the label considerably aids this process of identification and ensures that any missing kit is returned as soon as possible to the owner. The labels should be colour coded to your daughter's House:

Red – Ashcombe	Pale Pink – Musgrave
Purple – Merriman	Light Blue – Russell Baker
Royal Blue – Midleton	Green - Stoner

The large name labels (half inch in size) can be purchased from the School Shop at an approximate cost of £15 for a pack of 72. Up to 25 letters can be accommodated and we would ideally like your daughter's first name and surname. If the surname is particularly long, then the initial for the first name followed by the surname will be sufficient. The School Shop is aware of the different colour for each House.

For emergency use ordinary labels can be produced in the school shop but these are not house coloured and your daughter's house will be added to the label. These cost approximately £5 for 50 and can be produced at any time instantly.

Copies of the school uniform list and a useful document detailing instructions for labelling the uniform, can be found on the school website - School Uniform List. You will also be able to find the opening times of the school uniform and second hand uniform shop on this page.

Yours sincerely

Kirsty Meredith
