ATTENDANCE

We're Sprinting Through Spring!

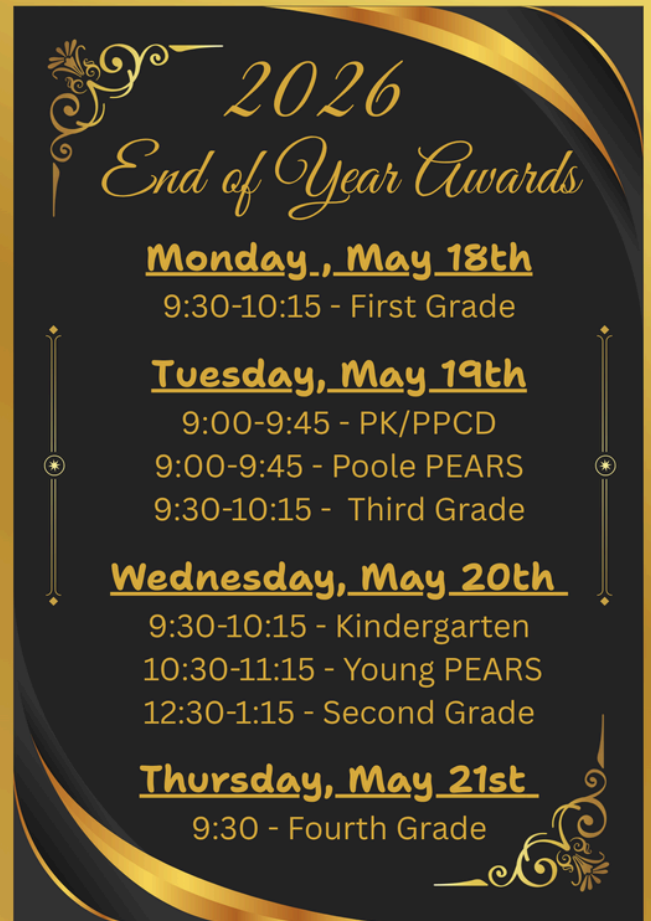

As we move quickly through the last quarter, we want to remind our families that regular school attendance remains essential for student success. While seasonal allergies can be challenging at this time of year, our school nurses are well-prepared to support students with chronic conditions such as allergies and asthma, ensuring they remain safe and comfortable throughout the school day.

We also recognize that students sometimes face emotional or mental health challenges. Instead of missing school, we encourage families to take advantage of the support available on campus. Our counselors and staff are here to help students navigate stress, anxiety, and other concerns so they can remain engaged in a supportive environment.

Each school day provides important opportunities for learning, connection, and growth. Even occasional absences can add up and impact student progress over time.

If your child or family needs additional support, please don't hesitate to reach out to your campus staff—we're here to help.

We are grateful for the continued dedication of our students, families, and teachers. Your commitment has kept our school community strong and focused. We're almost at the finish line! Thank you for your hard work and support as we Build Pearland Proud!

2026

PurposeFULL
People

Courage Overview

We are excited to focus on Courage this month! One way to think about Courage is "choosing what is helpful, right, and kind even when it is hard or scary." Courage can look a little different for everyone. Get ready to explore as a family what Courage means to you!

Courage is 1 of 3 traits we will focus on throughout the year that helps students Be Strong. Across grade levels, students will be developing skills like focusing, organizing, and goal-setting.

Conversation Starters

- Can you share or show what it means to have Courage?
- When you practice Courage, how does it make you feel? Why?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Courage. Here are 2 "PurposeFull Pursuits" you can complete together!

#1 Remember that Courage is choosing what is helpful, right, and kind even when it is hard or scary. Reflect, think, and discuss things you would like to do, but find intimidating or scary (individually or as a family). Maybe it's a new hobby, trying a new game, sharing your art or invention with others, or going on an adventure somewhere. Give 1 of these things a try together this month and take a selfie to capture the memory!

#2 We have all demonstrated Courage in our lives. Stories are powerful tools for connecting as a family. Protect time this week to share stories about Courage with each other (you can use the story prompts to get started). At the end of the conversation, think of 1 way you can practice Courage this week.

- Story Prompts:
- A time I (or someone else) showed Courage was _____
 - An act of Courage that changed/challenged me was _____

APRIL CJ HARRIS SCHOOL 2026

COUNSELOR

newsletter

Monthly Focus:

The classroom counseling focus for the month of April will be Courage. Courage means choosing what is helpful, right and kind, even when it's hard or scary. Courage, is the third trait for the Be Strong goal. Thank you for your support as we finish strong this year.

BE STRONG

Practicing Responsibility, Perseverance, and Courage

COURAGE

It is choosing what is helpful, right, and kind even when it's hard or scary

Calm & Strong Kids Tip:

TALKING it OUT is a powerful social coping skill because it combines emotional release with practical support. When your child shares their thoughts with a trusted adult—like a parent, teacher, or counselor—or a close friend; they are engaging in two key processes: expressing themselves to release pent-up tension and seeking support to gain new perspectives.
