MCHS STUDENTS SELECTED FOR GOVERNOR'S SCHOLARS PROGRAM

EDMONTON, Ky. (April 17, 2026) – Metcalfe County High School is pleased to announce that three students have been selected for the 2026 Governor's Scholars Program (GSP).

Corinne Keller and Abby Shirley were accepted to GSP, while Lily Kate Blythe will serve as an alternate for the summer residential program.

GSP is designed to enhance Kentucky's next generation of civic and economic leaders. Selected scholars network with other exceptional students across the state to strengthen their leadership capabilities while developing critical thinking, adaptability, and creativity.

"Being chosen for this program is more than just an academic achievement; it is an invitation to join a community of the brightest young minds in the state." MCHS Principal Joseph Eaton said. "I am thrilled for the life-changing experiences and lifelong friendships that Corinne and Abby will gain this summer, and I am equally proud of Lily for her recognition as an alternate in such a highly competitive field."

GSP invites approximately 1,000 Kentucky high school students to attend the five-week program at either Centre College, Morehead State University, or Murray State University.

There is no fee for the program, which is supported financially by the Office of the Governor, the Kentucky State Legislature, and private donors.
