

BOARD OF EDUCATION SPECIAL MEETING

Monday, April 20, 2026

6:00 PM

Hillsdale Board Office Entryway

Mission: Hillsdale: focused on success through innovation, empowerment, and collaboration.

Vision: The Hillsdale Local Schools, in partnership with the community, will build character and expect excellence by providing a safe and challenging environment that prepares students to be successful in life.

School Board meetings are more than a simple vote or approval process. In the weeks leading up to each meeting, the Superintendent and Treasurer provide regular updates to Board members to ensure they are informed about district operations, finances, and upcoming items. An agenda review is held the week prior to the meeting with two Board members to clarify items and ensure materials are ready for public discussion. A comprehensive Board packet is then shared with all Board members in advance, giving them time to review the information and prepare any questions or concerns. While no decisions are made outside of the public meeting, these steps ensure Board members come to each meeting fully informed and prepared to engage in thoughtful, transparent decision-making on behalf of the district.
