    B. Other
        1. There was more open conversation about the car rider line procedures. Ebonn and Maria drafted a new procedures document. It was discussed along with any other ideas for making the line more efficient. Ultimately, it was decided the best first step was to include the revised procedures document in the newsletter and if the car line saw any additional inefficiencies, a poll would be conducted to gain more insight into the issues/obstacles that parents may be facing. There was one change to the document - change drop off time from 7:15 am to 7 am.
        2. Spring Family Night - Ms. Harts informed the group of this event that will take place on 3/5/26 at 5:30pm.

3. Ebonn brought to the group that Matthew Phillips from Palmetto Life Church has offered volunteers to help with beautification projects. His only request is that the school make a list of the needs and dates so that he can coordinate with his congregation. Dr. Little asked if they would be willing to also volunteer for indoor projects. Ebonn agreed to confirm with Matthew.

C. Goals:
