Parents/Guardians:

Each year sixth grade students are afforded the opportunity to participate in the Westlake City Schools Outdoor Education Program at Camp Nuhop. Our current 5th graders will attend Camp Nuhop during their 6th grade year from **September 28 - September 30**.

Camp Nuhop emphasizes the study of nature in an outdoor setting and is intended to be educational. Classes are largely aligned with academic content standards in Science. This activity also provides an opportunity for growth in the areas of social interaction and community responsibilities. Camp Nuhop is located ten miles west of Loudonville (about a 95-minute drive from Westlake) and features heated cabins with hot & cold running water and an on-site cafeteria.

Camp Nuhop has a permanent staff that plans and offers the instruction and supervision of lessons. Sixth grade teachers, and support staff also attend to provide assistance and supervision. To ensure a safe trip, we need 20 parent volunteers to help supervise cabins at night. All parent volunteers will need to complete a background check through our Human Resource Office. ***In order for the trip to occur, we need 20 parent volunteers background checked by Friday, May 29th.*** If you are interested in being a volunteer please email Mr. Miller at millerni@wlake.org.

The cost of Camp Nuhop is **\$300.00**. This covers tuition, room, food, supervision and transportation. If your student plans to attend, please submit an initial deposit of **\$100.00 by June 5th. Full payment is due no later than Friday, September 11th.** You may pay for the full cost of the trip in advance if you prefer. Please make checks payable to the Westlake Board of Education.

You must also complete paperwork for Camp Nuhop before attending. Scan the QR code on the back of this page or go to go.nuhop.org/dover to complete the forms. **The deadline for Nuhop paperwork is also Friday, September 11th.**

Luggage drop-off will be on Sunday, September 27th, from 12:00 - 1:00 pm, in the DIS cafeteria.

This trip is a lot of fun and a highlight of 6th grade. We hope your student can attend!

Nicholas Miller, Principal
