

Career-Connected Learning

Preparing students for life beyond graduation

Whitehall City Schools is working to ensure every student graduates prepared for college, career, and life. Career-connected learning exposes students to real-world careers and builds workforce readiness.

Our Approach: Building Awareness Over Time

Elementary: Awareness

- Connect learning to real-world careers
- Explore different interests and opportunities

Middle: Exploration

- Hands-on experiences and activities
- Discover strengths and interests
- Begin thinking about future pathways

High School: Planning

- Real-world experiences and career pathways
- Align learning with future goals
- Prepare for life after graduation

What This Looks Like

Students may have opportunities to pursue these high-skill, high-wage, high-demand, high-sustainability careers:

Life & Biosciences Engineering & Automation Digital Media & Design
Health & Patient Care Business & Entrepreneurship Logistics & Mobility

The Goal

Every Whitehall graduate is a:

- ★ Relationship-Driven Connector
- ★ Resilient Problem-Solver
- ★ Resourceful Innovator
- ★ Ready Achiever

We Want to Hear From You!

- What skills are most important for students' futures?
- What experiences would you like students to have before graduating?
- What questions or ideas do you have about career-connected learning?

**There is no single "right" solution.
Your feedback will help guide future decisions.**
