NWEA Testing Starts Today!

Our NWEA testing window begins today. Over the next few weeks, students will take this assessment to help us understand their progress and growth.

We encourage all students to try their best and take their time. You can support your child by ensuring they get a good night's sleep, eat breakfast, and arrive on time ready to focus. Thank you for your continued support.

PTA INFORMATION

Before the April break, students enjoyed an extra special recess filled with sensory bins, art projects, the Big Blue Blocks and giant bubbles! This recess celebrated their hard work raising over \$25,000 during Walkathon. We hope they had a great time and appreciate the many volunteers who made this all possible.

This Week:

Student Assembly with [Magical Moonshine Theater](#), Wednesday, April 22

In this week’s assembly, students will see folklore brought to life with a vibrant, bilingual performance of “Coyote Sings.” This imaginative puppetry production promises to spark creativity and wonder, so be sure to ask your child about the desert tales and musical adventures they enjoyed during this special assembly. Thank you to Sunnyvale Rotary for providing PTA with grant funds for bilingual experiences like these!

Multicultural Night, Friday, April 24, 5:30-7:30 p.m.

Join us to celebrate some of the many cultures that make up our vibrant school community! This free, family-friendly event features performances from many different cultures and tables hosted by San Miguel families, where you can sample a taste of traditional dishes or see cultural artifacts up close. We could use a few additional volunteers during set up and clean up: <https://bit.ly/culturas26>. We look forward to a celebratory evening of connection, learning, and community.
