

It’s easy with the Rx Shopping tool

Is my medicine covered? How much will it cost? You’re not the only one wondering. Knowing if your health plan will cover your medicine and how much you’ll pay is important.

Easy to use

The Rx shopping tool is an online prescription cost-saving tool. It helps you find the lowest cost for medicines, based on your current health plan. You’ll see a list of their medicines and where you’ll find them at the lowest cost. Find other options to save money too, like when a lower price alternative is available.

Here’s what to expect

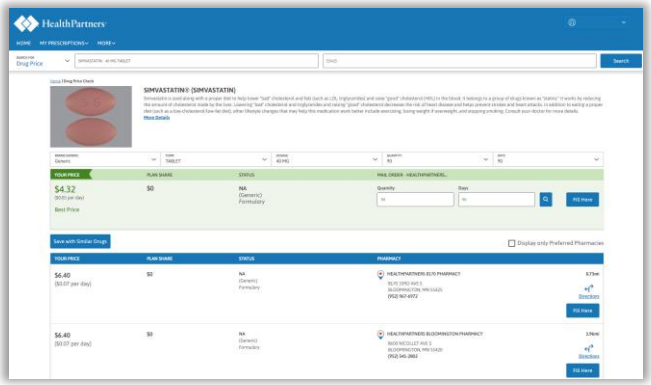

- Checks the cost of your medicine
- Compares current prices at pharmacies
- Tells you if medicines are covered by your health plan
- Transfers prescriptions to the lowest cost pharmacy
- Tracks out-of-pocket spending

Saves you money

- See prior authorization details
- Download and print year-end tax reports

How do I find this tool?
