Who says you need to leave the house to get your medicine? Avoid long lines and wait times by filling your prescriptions with mail order pharmacy.

Your medicine is a mailbox away

Sleep tight knowing you'll get your medicine when you need it. In fact, 95 percent of our orders are shipped in five days or less. To keep your information private, we ship all prescriptions in a recyclable plain package.

Save money and time with fewer refills

Most medicines come in a three-month supply, so you only need four refills a year. Plus, you'll only have to pay two copays instead of three.

Need your medicine sooner?

No problem! If you live in the Twin Cities or surrounding suburbs, call us and we will deliver directly to you in the same day. If you live somewhere else, call us and we will deliver your medicine the next day.

For requested rush mail order deliveries, there could be an extra cost to you.
