## **Online Driver's Education Course**

Give your child the "golden ticket" to bypass the DMV driving test when they turn 16! Our state-approved Summer Driver's Education program combines a self-paced online course, behind-the-wheel driving with the instructor, and the option for students to complete their driver's license test with the instructor now instead of at the DMV when they turn 16.

Once the online course is completed and the student holds a valid learner's permit, driving sessions and the official driver's license test may be scheduled on the instructor's available dates throughout the spring and summer. Successful completion of a driver's education course may also qualify students for insurance discounts!

- Cost: \$350

- Open to Rising 10<sup>th</sup>-12<sup>th</sup> Grades with a valid learner's permit
- **The cost of this course covers the online course materials, driving hours, and driver's license testing. There is no additional fee due to the instructor for the driving hours or driver's license testing.**

## **Driver's License Testing Only (No Online Course)**

This option is for students who would like to take their driver's license test with our instructor without enrolling in the full Driver's Education course.

### **Eligibility Requirements:**

- Student must hold a valid learner's permit
- **Student must have completed at least 50 miles of supervised driving with a parent or legal guardian**
- Very experienced driver who knows the laws and rules of the road

### **Additional Information:**

- Completion of a Driver's Education course is not required to take the driver's license test
- Testing is scheduled based on instructor's available dates throughout the spring and summer

### **Who Should Choose This Option?**

This option is ideal for students who:

- Completed a Driver's Education course that did not include the option to complete the driver's license testing
- Are not seeking an insurance discount tied to completion of a Driver's Education program
- Want to bypass taking the driving test at the DMV when they turn 16
  
- Cost: \$50
- Open to Rising 10<sup>th</sup>-12<sup>th</sup> Graders with a valid learner's permit
