

Summer Reading Challenge for Students Entering Grades 1-6

Did you know?

All young people experience learning losses when they do not engage in educational activities during the summer. Research spanning more than 100 years shows that students typically score lower on standardized tests at the end of summer vacation than they do on the same tests at the beginning of the summer.

Reading will help you to prevent “summer slide/learning loss” and, in addition, will introduce you to some **GREAT BOOKS!** You can read any books you want, but you will get extra points for all books related to the theme of our challenge.
Our theme will take you to space, galaxies as well as different universes created by book authors.

All the information you need is provided on our school website www.cvcs.org (CVCS Parent/Student Hub -> Additional Resources -> Library -> Summer Reading). In order to earn prizes, please turn in a completed form **no later than Friday, 21st of August. Completed means **title/author/number of pages read and parent signature confirming accuracy of completed reading** are all indicated. Please underline the titles related to our challenge. A reading award/certificate will be given to each student who participates. Students entering first grade may log the books they read with a parent. The charts signed by your parents will need to be submitted to your teacher **no later than Friday, 21st of August**.**

Readers from each grade level will be awarded shopping points for our AR Store (1st place 30 points, 2nd place 25 points, 3rd place 20 points, 4th place 15 points).
You are asked NOT to take quizzes on these books. You will need to read other books in the first quarter for your AR goal.

Suggested reading time is a minimum of **20 minutes** per day.

Please check out books from your Public Library.

If you have a smartphone, **AR BookScanner app** will help you to assess the AR reading levels while in the public library or in the bookstore.

www.arbookfinder.com website is another helpful tool to check book level, or simply use the **5 Finger Rule**.

Read and have lots of FUN!

Student's Name _____ **Entering Grade** _____

OUT OF THIS WORLD Summer Reading Challenge 2026

Don't forget to underline all challenge related books!

Title	Author	# Pgs.	Parent's initials

Total Pages Read _____

I hereby certify that the child named above has read these books during the summer of 2026.

Parent Signature _____
