

FAQs

I want to attend! Does it have to be my reunion year? How do I register?

While the 60th, 50th, and 25th reunion classes will be highlighted for this milestone celebration, alumni of all class years are invited to come back to campus for Alumni and Reunion Weekend!

There are two ways to register:

1. **Online**
2. By phone - Call the Office of Alumni and Development at 215-679-1142.

Is there a deadline to RSVP? Do you accept walk-up registration?

Online registration closes on May 29 at 5 pm EDT. Starting after that, please call Alumni Director Diana Weir-Smith '85, P '19 at 215-679-1142 or email alumni@perkiomen.org to inquire about availability and to register.

Can I stay on campus overnight?

You can stay in a nostalgic dorm room on campus. On-campus lodging is available in Kriebel and Kolbe Halls. Lodging is included in the Weekend Pass and Young Alumni Weekend Pass. Guests registering for the Friday Pass or Saturday/Sunday Pass may reserve lodging for \$50/person per night.

Provided for each guest: Sheets, blanket, pillow, two towels, washcloth, and water bottle.

Each room includes: Trash bin.

Toiletries are not included. Please bring any personal care items or things that are not listed above. And if you need extra blankets, extra towels, etc., we suggest bringing those along as there will be limited extra linens in the common areas. Essentially, make yourself at home for the weekend!

All dorms have air conditioning and an elevator.

Kriebel Hall suites include a private bathroom. We recommend Kriebel Hall for couples and families.

Kolbe/Riordan Hall single and double rooms have a semi-private restroom and showers.

Are there hotel accommodations nearby? What are some good restaurants in the area?

Check out this list of **Local Accommodations!**

How do I get to Perkiomen? It's been a while!

Train Stations - 30th Street Station in Philadelphia, located approximately one hour from campus, is the closest Amtrak Station. Norristown, PA also has a train station that is approximately 40 minutes away by taxi and is accessible from the Philadelphia Airport.

Uber or Lyft. Car Service – **J & J Transportation** at 610-776-1516.

Where do I park when I arrive?

For those visiting for the day, parking is available at Schumo Academic Center, Parents Hall, Hollenbach Athletic Center, and along Second Street.

Overnight guests in Kriebel Hall may park behind Kriebel Hall and enter the lower level Second Street side.

Overnight guests staying in Kolbe and Riordan Halls may park behind these buildings.

What should I wear/pack?

The 60th, 50th, and 25th Reunion Dinner on Friday evening is dressy casual, and the rest of the weekend is casual. One thing we can't control is the weather; check the forecast and be prepared for hot, rainy, or chilly weather. And don't forget your sunscreen!

Unsure about dressy casual? Here's some info from [The Knot](#) and [The New York Times](#).

Can I bring my spouse, partner, or significant other?

Please do! We welcome all guests to our campus. It's a great way to share your Perk experience with those you love.

Most events are family-friendly! Saturday's lunch includes a kids' buffet. Plus, there is a small playground on campus for younger children. There will also be lawn games for the whole family. Registration is free for attendees 18 years and younger. Please do register so we have enough food for the kids' bar!

The 60th, 50th, and 25th Reunion Dinner on Friday is a more formal event. Adults only, please.

Please supervise children at all times while on campus.

Can I make a gift to Perkiomen in advance of the reunion?

Yes you can! [Click here to give](#).

Reunions are an important time for us to reconnect and remember the life-changing experiences we shared together. **As we look back on the friends that were made, the lessons learned, the careers launched -- it all started here, at Perkiomen.**

Reunion gifts are a wonderful tradition and a thoughtful way to pay it forward to the next generation following in your footsteps. A gift in honor of your reunion allows us to provide an exceptional and innovative education to our students every single day. Your donation launches these students into a future with the skills and confidence to empower them to risk becoming their best.
