TOGETHER WE CAN

Dear MAS Families,

March is here, bringing longer days and fresh energy! This month, we are focusing on **empathy** — understanding and caring about how others feel. Students will practice kindness and positive problem-solving throughout the school day.

You can support empathy at home by encouraging conversations about feelings, modeling kindness and patience, and asking, “How would you feel in that situation?” Thank you for your continued partnership in helping our students grow academically, socially, and emotionally. We are proud of the kindness, empathy, and effort we see each day!

We closed out Black History Month with an amazing assembly by the **Alvin Ailey American Dance Theater**. Our students were captivated by the performance and inspired by the powerful storytelling expressed through music and dance. It was a meaningful way to celebrate culture and artistry. We are incredibly grateful for our dedicated PTA. Their commitment continues to bring enriching opportunities and special experiences to our students and staff. Thank you for your ongoing support of our school community.

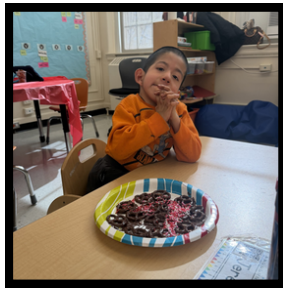

We are also thrilled to share that we not only met our **PARP (Pick a Reading Partner)** goal — we almost doubled it! Thanks not only to our amazing students, but also to you for your support and encouragement. We truly make a great team! Our students showed incredible dedication to reading both at home and at school. Your partnership in supporting strong reading habits makes a tremendous difference, and we are so proud of our readers.

Students shared thoughtful ideas about being kind to others and put their lessons into action by making delicious chocolate-covered pretzels for their families.
