

EARLY COLLEGE EXPERIENCE (ECE)

College. Career. Community. Ready.

The **Early College Experience** (ECE) provides students with the opportunity to take college-level courses through **Arizona Western College** while still in high school—with the district covering tuition, technology and transportation fees—building the skills, confidence, and responsibility needed for success after graduation.

COLLEGE, CAREER & COMMUNITY READY

ECE reflects a shared vision for academic success by providing access to rigorous, high-quality college coursework that prepares students for life beyond high school.

RESPONSIBLE & INDEPENDENT LEARNER

Students take ownership of their learning by managing college expectations, deadlines, and academic performance while strengthening critical thinking and problem-solving skills.

SUPPORT & COLLABORATION

Teachers, counselors, and college partners work together to support students through consistent expectations, instructional alignment, and ongoing communication.

ENGAGED LEARNING COMMUNITY

ECE strengthens connections between schools, families, and the community by providing clear communication, support systems, and opportunities for meaningful engagement.
