

Anne Shabareck, Executive Assistant, serves as Executive Assistant at Siembra Leadership High School, where she partners closely with school leadership to support operations, governance, and the daily functions that keep the school running smoothly. Taking a Chief of Staff approach to her role, Anne helps strengthen internal systems, coordinate board processes, and streamline workflows so the team can stay focused on serving students and advancing the school's mission.

With professional experience spanning nonprofit, education, and financial services, Anne is known for anticipating needs, improving efficiency, and building strong organizational structure. She is committed to supporting Siembra's students, families, and staff through thoughtful, organized, and people-centered work.
