GENERAL SCHOOL INFORMATION

About Us

The primary focus of Lake Elementary is to meet the needs of all learners by removing barriers to learning. We are focused on creative lesson design for the diverse profiles of our learners; thinking about their strengths, needs, interests, and values to create equitable learning for every student. We will be working to further develop Project Based Learning (PBL) units that are grade-level aligned with a UDL lens for equity. We also integrate a robust music program with our PBLs.

We work in team sessions to develop MTSS feedback cycles focused on SMART goal-setting; scientific, research-based interventions (SRBIs); progress monitoring, performance assessments, and rubrics. Lake Elementary is a student-centered, dynamic learning community. Students are partners in their learning plans, as we co-create their experiences as a community that values and includes learners, parents, staff, faculty, and the greater community. We create relationships that inspire learning through collaboration, excellence, and innovation in various contexts to promote growth with a whole-child approach!

Principal's Welcome Message

Welcome to Lake where Dolphins **ROCK!** Our schoolwide expectations are **Respect**; **Own** our choices; **Care** about learning, and **Keep** Lake safe and clean. As our school song goes, "We are the Dolphins; we are the way". Paving the way for ourselves and each other involves supporting each other to follow these expectations as the foundation for all learning at Lake. We use Positive Behavioral Interventions and Supports (PBIS) to teach, model, and reinforce our school-wide expectations.

Lake is a model of excellence in public education because of the family partnerships that help our learners thrive! Our Project Based Learning units and robust music and science integration make Lake a unique and engaging place to learn. All staff and students are learners, alongside each other, as we co-create experiences that are relevant and rigorous. I love when students ask where my white coat is; I get to explain that there are many types of doctors. I happen to be a "learning doctor," and part of my job is to help solve problems so everyone (students, teachers, and myself included) learn in our personal best ways. If your child ever needs support in any way, please use my [Calendly Link](#) to schedule a time for us to meet.

I'm amazed by the creativity of young learners and passionate about cultivating the creators of our future world. I believe that education (formal and informal) is the key to making our world a more equitable, kind, and mindful place to thrive. Our Lake Dolphins are leading the way!

ACADEMICS

Academic Honesty & Integrity

Academic honesty and personal integrity are fundamental components of a student's education and character development. The school's goal is to help each student realize their full academic potential and become a responsible and productive citizen and lifelong learner. Therefore, students are expected not to cheat, lie, plagiarize, or commit other acts of academic dishonesty.

When students cheat or plagiarize, their work does not reflect their own efforts or understanding, and it gives them an unfair advantage over other students. Types of academic dishonesty that are not tolerated include, but are not limited to, the following:

- **Cheating** includes, but is not limited to: copying the work of others (including both class work and homework); having someone else do the homework or assignment; looking on/copying another's work/test/essay; stealing someone else's idea for an assignment or project; using notes on tests or quizzes when such notes have been prohibited; or giving others answers to a test or quiz.; giving or "passing" old tests to other students for the following year, or receiving old tests from other students
- **Fabrication** includes, but is not limited to: falsifying/inventing/misrepresenting source of cited information.
- **Unauthorized Collaboration** includes, but is not limited to: copying another student's work, allowing work to be copied or completing assignments for others.
- **Plagiarism** includes, but is not limited to: copying part or all of another person's work and submitting it as one's own; passing off the ideas or words of another as one's own without giving credit to the source; use of artificial intelligence technology to generate answers for exams and/or assignments or to produce work that appears to be original; or paraphrasing from a different sources without citing those sources, including direct quotations and paraphrasing without citation. This is because any original work is considered the intellectual property of the person who created it -- when another person's work is plagiarized, it is a form of stealing their intellectual property.
- **Alteration of Materials/Forgery** includes, but is not limited to: any intentional unauthorized alteration of student/teacher material(s) or unauthorized signature to school related documents, including passes; signing someone's name, including parents/guardians or teachers.

Any student involved in academic dishonesty may receive the following consequences:

1. Receipt of a zero for that assignment/quiz/test/event, with no makeup work/quizzes/tests permitted.
2. Lowering of the citizenship grade.

3. Parent notification and/or parent-teacher conference.
4. Implementation of further consequences.

Repeated cheating can result in the student being referred to a counselor or administrator. To avoid this, students should master and use the correct skills to cite sources, ask for help when questions arise regarding cheating or plagiarism, and not participate in sharing or receiving answers from others.

Alternative Homework Assignments ([BP 6154](#))

VUSD recommends alternative homework assignments in grades TK-5 that connect home and school experiences to build a student's sense of community and build family learning. These activities will not be incorporated into students' grades or result in rewards/punitive actions for non-completion.

Alternative homework assignments are designed to serve specific purposes which may include, but are not limited to:

- Reading (or being read to) for at least 30 minutes on a daily basis
- Enrichment activities, such as projects
- Extra practice and review opportunities

Well-designed alternative homework assignments provide positive parent-child relationships around school and learning, connect home culture to school experiences, and build students' self-efficacy, collaborative and problem solving skills.

Parents/guardians may request additional practice activities to work on with their child from the classroom teacher.

Make Up Assignments & Tests ([EC 48205](#), [EC 34913.5](#))

Students should take the initiative to make up for missed assignments due to absences. The following provides specific guidelines based on the type of absence:

1. **School Activities.** Students must clear all school activities with their teacher(s) in advance in order to get assignments. Lists of students involved in school activities will be approved and distributed to teachers (for verification purposes) by the administration, activities director or athletic director.
2. **Excused Absence.** Students will be given the opportunity to make up school work missed because of an excused absence and to receive full credit if the work is turned in within a reasonable period of time, which is usually 1 day for every day absent from the date the student returns to school. Students must take initiative to request assignments from the teacher and to ask for, and follow through on, the due date as determined by the teacher.
3. **Unexcused Absence.** Students who miss school work because of unexcused absences will be given the opportunity to make up missed work for full or reduced credit at the discretion of the teacher. This means that the teacher has the right to decide whether or not to provide any credit for this late work.
4. **Out-of-School Suspension.** If the student's absence is the result of a suspension, the teacher may require the student to complete any assignments and tests missed during the period of suspension. When a parent/guardian of a student who has been suspended for two or more days from school requests homework that the student would otherwise have been assigned, the student's teacher must provide such homework. If a homework assignment is requested and is turned in to the teacher by the student either upon the student's return from suspension or within the timeframe originally prescribed by the teacher, whichever is later, and is not graded before the end of the academic term, the homework assignment may not be included in the calculation of the student's overall grade in the class.

If a student is planning to be absent, homework may be requested from the teacher(s) or office staff at least 24 hours in advance. For absences longer than 3 days, parents are encouraged to call at least 72 hours in advance or request for short-term independent study 7 days in advance if the student meets the eligibility criteria.

Physical Education

Physical wellness and regular exercise is an essential component of child development and all students in grades 1-6 participate in physical education instruction for at least 200 minutes each 10 school days. At the elementary school level, students need to come to school dressed appropriately and prepared to run and play every day!

Additionally, physical fitness testing will be administered to all fifth grade students. The participation data is reported in the school accountability report card (SARC) and in the Single Plan for Student Achievement (SPSA).

Temporary Medical Excuse

Students who are ill or injured are still expected to participate in class activities with appropriate accommodations in order to receive credit. If the student must refrain from all physical activities, the student is expected to make up the activities once they are physically able to do so in order to receive full credit.

Students are to submit to their teacher a verification of the illness or injury in the following manner based on the number of consecutive days that participation in class activities may be limited:

1 day	Note from the school nurse or health technician
2 to 3 days	Note from parent
4 or more days	Note from a health care provider, specifying the physical limitations of the student and the expected duration of the temporary illness or injury

Students will be given an alternative assignment while not participating in any P.E. activities.

Orthopedic Injuries and Protocols - In order to actively participate in playground/PE activities, all ace wraps, joint braces, splints, casts, knee scooters, crutches, or similar devices must have a note from the treating medical provider* outlining activity restrictions. Sometimes, even with a note, students with hard casts, crutches, knee scooters, or similar devices may need to be excluded from participating in certain playground/PE activities if the device poses a potential danger to other students.

*Certified Athletic Trainers that are employed by the District may recommend use of wraps, braces, etc. to their High School athletes to reduce the risk of injury and/or provide support. These athletes will need to follow the direction of their Certified Athletic Trainer regarding physical activities with use of these items.

Responsible Use of District Technology ([BP 6163.4](#), [AR 6164.4](#))

The Vista Unified School District (VUSD) will provide access to VUSD technology resources to students who agree to act in a considerate and responsible manner. Prior to being allowed access to the Internet at school or through technology resources provided by VUSD, parents/students are required to sign a Student Acceptable Use/Responsibility Agreement during the annual registration process.

If a student violates any of the rules of acceptable use, their use may be terminated and future access possibly denied. Disciplinary action may also result. If criminal activity is discovered, the proper law enforcement authorities will be notified. Disciplinary action for students must be in accordance with existing discipline policies and may include suspension or expulsion in accordance with the laws of the State of California and District policy.

Parents/guardians may purchase a [Mobile Device Cost Protection Plan](#) for school issued mobile devices given to students which will protect the device against ACCIDENTAL DAMAGE, THEFT, FIRE, FLOOD, NATURAL DISASTERS, POWER SURGE and VANDALISM. This plan will provide full replacement cost coverage and will protect the item on and off school grounds. Device Cost Replacement Plan is valid for the school year (July 1 to June 30) for two incidents. Families that plan to use a device during the Summer will need to pay for the coverage prior to leaving for the Summer.

Smartphones and Other Electronic Signaling Devices ([EC 48901.5](#), [EC 48901.7](#), [BP 5131.8](#))

Elementary students are not to use a smartphone or other electronic signaling device (including, but not limited to, cell phone, smartwatch, tablet) on campus. Specifically, such devices must be turned off during instructional time and kept in the student's backpack while in school, except under the following circumstances:

- In case of an emergency, or in response to a perceived threat of danger.
- When a teacher or administrator grants permission to the student, subject to any reasonable limitation imposed by that teacher or administrator.
- When a licensed physician and surgeon determines it is necessary for the student's health or well-being.
- When it is required in a student's IEP or Section 504 plan.

Misuse of personal technology resources on or near school property, in school vehicles and buses, at school-sponsored activities may result in disciplinary action up to and including expulsion from the District.

Examples of misuse include, but are not limited:

- Taking photos or recording of any person at school without specific permission from a teacher or administrator (see notification below, Electronic Listening or Recording Device)
- Accessing, posting, displaying, or otherwise using material that is discriminatory, libelous, defamatory, obscene, sexually explicit, disruptive or without permission
- Bullying, harassing, intimidating, embarrassing or threatening others ("cyberbullying")
- Disclosing, using, or sharing other people's personal identification information (such as name, address, telephone number, email, or other personal information) with the intent to threaten, intimidate, harass, or ridicule that person

The school assumes no liability for personal technology, including computers, cell phones, smartphones, network access devices, or other electronic signaling devices, if such devices are damaged, lost or stolen.

Students who violate any school rules related to the use and possession of personal technology may have the following consequences:

1st and 2st Offense: Device is taken away, student picks it up in the Assistant Principal's (AP) office after school.

3rd Offense or Above: Device is taken away, parent/guardian picks it up in the AP's office after school.

Continued offenses will result in the student being placed on the Loss of Privilege list and a parent/guardian conference with the AP.

Electronic Listening or Recording Device ([EC 48901.5](#), [EC 48901.7](#), [BP 5131.8](#))

Using electronic devices to listen to others or record (audio, video or photo) by any person, including students, staff, parents/guardians or community members, without prior permission from the teacher or principal is prohibited, as it disrupts and impairs the teaching process, individual privacy and discipline in our schools.

State law prohibits the recording of confidential communication without prior consent by all parties – this is because California is a "two-party consent" state. Confidential communication is one where the parties involved have reason to believe that their communications are being held in private. Any person, other than the student, willfully in violation of recording or listening into confidential conversations, is guilty of a misdemeanor. Any student in violation will be subject to appropriate disciplinary action.

ATTENDANCE

School begins at 8:00 for all students.

Call 760-945-5300 to report absences.

Attendance Awareness Campaign 2025-26

The national attendance awareness campaign theme for 2025-26 is “Here Today, Ready for Tomorrow!” which speaks to the importance of joining together to address the devastating effects of interrupted learning and increased economic stress. Parents/guardians, students and staff can work together to offer positive messaging and practical routines to improve daily attendance.

Daily attendance is key to helping each student reach their dreams of a successful future, and showing up on time every day is an important life skill that will help students graduate from college and keep a job. When students do not attend school regularly, they miss out on fundamental academic and social skills and the chance to build a habit of consistent attendance.

Absences can be minimized by scheduling medical, dental, and other appointments after school or when school is not in session. Vacations should be planned around holidays. Students and parents/guardians must make school attendance a priority. School staff will plan and implement positive behavior reinforcement and recognition systems to improve and recognize the efforts of students and parents.

Absence Verification ([BP 5113](#))

Absences must be verified by the student’s parent/guardian by calling the office the morning of the day your child is absent.

An automated courtesy phone call will be sent out when a student’s absence has not been verified.

Absences not cleared within 72 hours (or three days) from the last day of the student’s absence will remain unverified and considered unexcused.

It is important for parents and students to understand that writing a note to verify an absence does not excuse the absence. Absences are excused only if they meet state criteria listed under “Excused Absences”. A doctor’s note may be requested by the principal or designee when the student has been absent more than 10 days in the school year due to illness. Absences that are not excused are marked unexcused in the student’s records and can potentially lead to a referral to the School Attendance Review Board.

Attendance Accountability & Communication

Communication between the home and school about attendance is a priority and several processes are implemented to ensure that parents are informed about their child’s attendance and are actively engaged in supporting positive attendance.

Monitoring Daily Attendance

- Parents/guardians have access to Aeries Parent Portal to monitor their child’s attendance at all times
- Parents/guardians will receive an automated notification when their child is absent from school and the school has not received a notification from the parent/guardian with the reason for the absence. Upon receiving the notification, a parent/guardian must contact the office and provide the reason for the absence.

Unexcused Absence Notifications ([BP 5113.1](#), [BP 5113.2](#))

Unexcused absences are all absences that are not listed under “Excused Absences” in the section below. Each unexcused absence is considered a *truancy*. Coming late to school also matters and can impact attendance records. Coming late to school by 30 minutes or more three times is also considered a truancy.

- After 3 and 6 *unexcused absences*, parents/guardians will receive a letter notifying them of the absences. A student is considered **truant** after three unexcused absences and/or tardies of more than 30 minutes each time.
- After 6 absences, the school will follow up to schedule a School Attendance Conference to identify any barriers to attendance and set up a plan to improve attendance. After a student has been reported as a truant three or more times in a school year and the school has made a conscientious effort to meet with the family, the student is considered a *habitual truant*.
- After 9 unexcused absences, a third letter will be sent out to notify parents/guardians.
- If attendance does not improve, the parent/guardian and student may be referred to the Student Attendance Review Board to develop an attendance action plan.

A student who is absent from school without a valid excuse for 10% or more of the schooldays that they have been enrolled for is considered a **chronic truant**.

Excessive Excused Absence Notifications

A student who is absent from school for 10% or more of the school days that they have been enrolled is considered *chronically absent*. In order to ensure that parents/guardians are aware if their children are moving toward chronic absenteeism, a letter is sent after 5 excused absences, and again after 10 excused absences.

Excused Absences

In order for an absence to be excused, the reason for such absence must meet the criteria specified under EC 48205, as provided below. A student shall not have a grade reduced or lose academic credit for any excused absence if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.

EC 48205. (a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

1. Due to the pupil’s illness, including an absence for the benefit of the pupil’s mental or behavioral health.
2. Due to quarantine under the direction of a county or city health officer.
3. For purposes of having medical, dental, optometrical, or chiropractic services rendered.
4. For purposes of attending the funeral services or grieving the death of either a member of the pupil’s immediate family, or of a person that is determined by the pupil’s parent or guardian to be in such close association with the pupil as to be considered the pupil’s immediate family, so long as the absence is not more than five days per incident.
5. For purposes of jury duty in the manner provided for by law.
6. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
7. For justifiable personal reasons, including, but not limited to, an attendance or appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil’s religion, attendance at a religious retreat, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil’s absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board of the school district.

8. For purposes of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
9. For purposes of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
10. For purposes of attending the pupil's naturalization ceremony to become a United States citizen.
11. For purposes of participating in a cultural ceremony or event.
12. (A) For purposes of a middle school or high school pupil engaging in a civic or political event, as provided in subparagraph (B), provided that the pupil notifies the school ahead of the absence.
 - (B) (i) A middle school or high school pupil who is absent pursuant to subparagraph (A) is required to be excused for only one schoolday-long absence per school year.
 - (ii) A middle school or high school pupil who is absent pursuant to subparagraph (A) may be permitted additional excused absences in the discretion of a school administrator, as described in subdivision (c) of Section 48260.
13. (A) For any of the purposes described in clauses (i) to (iii), inclusive, if an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, has died, so long as the absence is not more than three days per incident.
 - i. To access services from a victim services organization or agency.
 - ii. To access grief support services.
 - iii. To participate in safety planning or to take other actions to increase the safety of the pupil or an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, including, but not limited to, temporary or permanent relocation.

(B) Any absences beyond three days for the reasons described in subparagraph (A) shall be subject to the discretion of the school administrator, or their designee, pursuant to Section 48260.
14. Due to the pupil's participation in military entrance processing.
15. Authorized at the discretion of a school administrator, as described in subdivision (c) of Section 48260.
 - a. A pupil absent from school pursuant to this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit for those assignments and tests. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
 - b. For purposes of this section, attendance at religious retreats shall not exceed one schoolday per semester.
 - c. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
 - d. For purposes of this section, the following definitions apply:
 1. A "civic or political event" includes, but is not limited to, voting, poll working, strikes, public commenting, candidate speeches, political or civic forums, and town halls.
 2. "Cultural" means relating to the practices, habits, beliefs, and traditions of a certain group of people.

3. "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.
4. "Victim services organization or agency" has the same meaning as defined in subdivision (j) of Section 12945.8 of the Government Code.

Tardy Policy

Students are expected to arrive at school on time and be in their classroom, seated, and ready to learn when each class period begins. When students are late/tardy, they are missing instruction or instructional activities that could lead to learning loss. In addition, when a student arrives late to class or is tardy, it can be distracting to the other students and the teacher.

Tardy means that the student has arrived late to school and/or has missed more than 30 minutes of class; three tardies will result in the student being considered a truant.

A student is considered **late** when they arrive at school or miss class for less than 30 minutes.

Consequences may include, but are not limited to:

- Warning letter
- Student/Teacher conference
- Parent contact
- Detention or Saturday School
- On-time Agreements
- Other attendance interventions
- Referral for School Attendance Review Team (SART)
- Referral for School Attendance Review Board (SARB)

Leaving School Early ([AR 5142: Safety](#))

Students may be released during the school day only to the custody of an adult in possession of a valid, government issued photo identification card and if the adult is any of the following:

1. The student's custodial parent.
2. Authorized on the student's emergency card as someone to whom the student may be released with authorization from the custodial parent or when the custodial parent cannot be reached, and the principal or designee verifies the adult's identity.
3. Authorized law enforcement officer acting in accordance with law.
4. Taking the student to emergency medical care at the request of the principal or designee.

Early release from school is an unexcused absence unless the reason for the absence is listed under "Excused Absences" above.

Short-Term Independent Study ([BP 6158](#), [AR 6158](#))

Short-Term Independent Study (I.S.) may be an option for students who have necessary and unavoidable absences that will result in **missing a minimum of 3 and up to 14 school days**. Parents/guardians must **request I.S. at least 7 days in advance** of the absences using the [Independent Study Request](#) form, and the Principal must make a determination as to whether to approve and initiate a Short-Term Independent Study Agreement.

If approved, the Principal will initiate a Short Term Independent Studies Agreement, which must be signed by the student, parent/guardian, teacher(s) and Principal *prior to* the I.S. time. Within 5 days of returning from the approved I.S., the student must submit all work completed in order to receive credit for the I.S. agreement. Students who do not complete the required work may not be approved for future agreements.

Individual arrangements made with teachers that have not been approved by the Principal or have a signed I.S. agreement in advance will not be considered as Independent Study. It is not possible to retroactively approve I.S. agreements. 2

Transfers/Withdrawals

Parents/Guardians of withdrawing students must notify the Attendance Office prior to the student's last day and sign a withdrawal agreement. A student's withdrawal is complete when all fines, textbooks, library books, and records are cleared and a transfer/withdrawal form is completed. Failure to return, or damage of, school/district property may result in withholding of student grades, transcripts or diplomas.

SUPPORT SERVICES

School Counseling Program ([AR 6164.2](#))

Each student at Lake receives social emotional curriculum through our counselor. Please see her webpage for additional information: [School Counselor](#)

Access to Mental Health Services ([BP 5141.52](#))

Students and parents/guardians can contact their school counselor or district social worker to discuss mental health concerns or needs and to obtain referrals to support services at school and in the community.

In the event of a life threatening emergency, please call 911 or the National Suicide Hotline 988.

Before and After School Program ([BP 5148.2](#), [AR 5148.2](#))

The VUSD offers extended learning opportunities before and after school. Please visit this site for additional information:

https://www.vistausd.org/departments/student_support_services/extended_learning/am-pm_program

We provide quality, safe and enriching program before and after school at 13 of our elementary schools serving kindergarten - 5th grade. Our program is a self sufficient, parent pay program which is financially independent of school district funds. We take pride in providing the finest quality childcare program. Our professional staff provide a safe and enjoyable environment where the children can have fun, learn and make new friendships. Lastly, we will continue to work closely with our families, knowing that strong communication and teamwork is always in the best interest of our children.

Programs and Activities

In partnership with outside educational agencies, Lake Elementary PTA offers after school programs that focus on providing enrichment opportunities. Information on class offerings and fees will be distributed through the weekly newsletter. After school programs are for Lake Elementary students only and require parent permission to participate. Students must immediately report to after school programs.

Library ([BP 6163.1](#) & [AR 6163.1](#))

Our school library is a very special place where we share and enjoy books. Students are developing reading habits that will be with them throughout their lives. We allow students to borrow books to reinforce their studies and also for enjoyment at home. Your student will be bringing library books on a regular basis. You can help by taking an interest in the books your child brings home and by taking time to listen to them read them aloud.

Please help us by protecting and returning the books on time. If a book is lost or damaged while in your or your child's care, you will be asked to pay for the book.

Lost and Found

Several times during the school year a large number of clothing items are donated to local relief organizations because they were left unclaimed at school. Please check our Lost and Found area for items that may belong to your child. We encourage you to label jackets, sweatshirts, lunchboxes, and backpacks with your child's name.

Student Incentives and Awards

Dolphins ROCK assemblies occur once per month on Friday at 8:00. The staff recognize students doing great work in the classrooms or being courteous on the playground by presenting monthly Dolphins ROCK Awards. Each assembly features a different class performance in addition to awards. We welcome parents to these community gatherings.

Dolphin Dollars

At Lake Elementary, students who are caught going above and beyond the Dolphins ROCK expectations are also acknowledged with Dolphin Dollars and ROCK Awards. Dolphin Dollars are given by all staff, at their discretion, as a tool of encouragement and student motivator. Students who receive Dolphin Dollars have varied rewards they can redeem them. ROCK Awards are given by teachers, and students are recognized at assemblies, and then again in their classrooms with behavior-specific praise about what they did to be recognized.

Education & Advocacy for Homeless Children and Youth ([BP 6173](#), [AR 6173](#))

The McKinney-Vento Homeless Assistance Act for Homeless Children and Youth entitles all homeless school-aged children to the same free and appropriate public education that is provided to non-homeless students. A homeless youth is defined as a child who lacks a fixed, regular, and adequate nighttime residence and includes children and youth who:

- Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason;
- May be living in motels, hotels, trailer parkers, or shelters;
- Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
- Are living in cars, parks, public spaces abandoned buildings, substandard housing, bus or train stations, or similar settings;
- Or are migratory children who qualify as homeless because of similar living circumstances.

An unaccompanied youth is defined as a minor who is not in the physical custody of a parent. Unaccompanied youth who meet the definition of homeless youth are also eligible for rights and services under the McKinney-Vento Act.

To ensure that each school identifies all homeless and unaccompanied youths enrolled at the school, a housing questionnaire is administered at least once a year. The questionnaire can be made available in the primary language of the student's parent/guardian or unaccompanied youth upon request. If a student's status changes at any time during the school year, please contact the homeless liaison and/or submit a housing questionnaire, which can be found in any school office or by [using this link](#).

Notice of the educational rights of homeless youth and resources available to persons experiencing homelessness, as well as the name and contact information of the educational liaison for homeless youth, are posted on the District and school websites. The notice of education rights is also posted in the District and school offices. Parents/Guardians should contact the homeless liaison for assistance in removing barriers to their child's education.

Education and Advocacy for Foster Youth ([BP 6173.1](#), [AR 6173.1](#)) and Children of Military Families ([BP 6173.2](#), [AR 6173.12](#))

Specialized programs, policies, services and advocacy are provided for children currently enrolled in the Foster Youth Program as well as Children of Military Families.

For additional information, please contact our school counselor at 760-945-5300.

Please reach out to your School Counselor or to the District Foster/Military Liaison - Student Support Services Coordinator for questions or needs. (760) 726-2170 ext. 92180

Foster youth are provided with full access to the District's educational program and will be placed in a school that is based on the student's best interest. The educational liaison for foster youth will:

- Ensure and facilitate the proper educational placement, enrollment, and checkout from school of students in foster care.

- Ensure proper transfer of records and grades when students in foster care transfer from one school to another.
- Notify a foster youth's educational rights holder, attorney, and county social worker when a foster youth is undergoing any expulsion or other disciplinary proceeding, including a manifestation determination for a foster youth with an IEP or Section 504 plan, prior to a change in the foster youth's placement.
- As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.

Rights that a student in foster care is entitled to includes:

- The right to attend either the school of origin or the current school of residence.
- The right to immediate enrollment even if the foster youth is unable to produce records normally required for enrollment, does not have clothing normally required by the school, or has outstanding fees, fines, textbooks, or other monies due to the school last attended.
- The right not to have grades lowered for any absence from school that is due to either of the following circumstances:
 - A decision by a court or placement agency to change the student's placement
 - A verified court appearance or related court-ordered activity

Education and Advocacy for English Learners ([BP 6174](#), [AR 6174](#)) and the Migrant Education Program ([AR 6175](#))

Specialized programs, policies, services and advocacy are provided for English Learners and students who qualify for the Migrant Education Program. Please contact our office for additional information.

English Learner Program

Lake Elementary implements the VUSD Strategic Plan for English Learners. Our focus is to accelerate the rate at which our EL students gain fluency in English. At our site, we have the following staff members working directly with English learners:

- A part-time district English Language Development Resource Teacher
- Full-time English-only teachers certified to instruct English Learners
- One bilingual Community Liaison
- One bilingual secretary to aid in communicating with Spanish-speaking families

Instruction focuses on reading, writing, and speaking skills. English learners receive English Language Development daily. Teachers are appropriately credentialed to teach our English Learners.

PARENT/FAMILY ENGAGEMENT

([BP 5020](#), [AR 5020](#), [BP 1250](#), [AR 1250](#), [BP 1240](#), [AR 1240](#), BP 1313, AR 1313)

Parents/guardians are essential partners in the education of their children and the school is committed to providing a variety of two-way communication and engagement opportunities.

Community Liaisons & FACE Network

We have an amazing Community Liaison at Lake Elementary who is able to help support parents with things such as Parent Portal support (registration), technology support and support navigating community resources to list a few. She can be reached by calling the school (760) 945-5300 or by stopping by the Lake office with any questions or concerns you may have.

Home-School Communication

Lake Elementary Website

You may also visit Lake Elementary's website to read about our faculty and school events. Current school newsletters, the school calendar, lunch menu and the school handbook can be found on our website. Please visit us at lk.vistausd.org. This website is updated regularly and will provide the most current information regarding our school, programs and policies. The District website is vistausd.org

School Newsletter

The principal will email a school newsletter weekly that shares current information regarding our school, programs and policies. This newsletter will also be posted to the school website.

ParentSquare

Vista Unified School District is committed to engaging families as partners in education. We continue to refine our communication systems to provide up to date information about teaching and learning, collaboration, family engagement, and college and career pathways. We use [ParentSquare](#), a classroom communication tool that makes it easy to stay involved with your child's learning.

Official accounts will be created for all the educators, parents, and students. You will receive an email or text message from ParentSquare. All you need to do is follow the steps in the message to finish setting up your account.

It is imperative that you maintain a current home phone number on file with the office in order to be able to receive these automated messages. Our system automatically defaults to just one phone number and email address to receive school messages. If you would like for a second parent, phone number, or email to receive all school messages, please contact Lake's office. This will only affect communications that come from the school office. You will need to communicate with your child's teacher directly to let them know how they can contact you for classroom information.

Parent-Teacher Conferences

Parents/guardians have the right to meet, within a reasonable time of their request, with their child's teacher(s) and/or principal. Such conferences can allow parents/guardians the opportunity to stay involved in their child's education, and can be held for reasons that include, but are not limited to, any of the following:

- To examine the curriculum materials of the class(es) in which their child is enrolled.
- To discuss their child's progress in school, and any issues that are getting in the way of that progress.
- To review the results of their child's performance on standardized statewide tests.
- If their child is identified as being at risk of retention, to discuss and/or appeal the decision.
- To question anything in their child's record that the parent/guardian feels is inaccurate or misleading, or is an invasion of privacy.

Informal meetings

Parents/guardians also have the right to meet, within a reasonable time of their request, with their child's teacher(s) and/or the principal. Please contact the office for additional information.

Committees/Councils

Parents/guardians are encouraged to participate in parent advisory committees, school site council or site-based management leadership teams.

SSC – School Site Council

The **School Site Council** is an elected committee made up of parents, teachers, and administrators, which serves as an advisory board to the school administration to set budget priorities for Lake Elementary. This committee meets regularly to develop, review, and recommend plans and budget for our School Improvement Program funds. Elections are held each year to choose representatives.

ELAC – English Language Advisory Committee

ELAC is a committee made up of parents, teachers, and administrators. They meet regularly to develop, review, and recommend plans for students who are learning the English language.

Classroom Observations

Parents/guardians have the right to observe, within a reasonable period of time after making the request, the classroom(s) in which their child is enrolled or for the purpose of selecting the school in which their child will be enrolled. They may also observe instructional and other school activities that involve their child.

School administration will review and arrange for requests for observation, including the determination of the date and amount of time appropriate for the observation and the assignment of appropriate staff to supervise the observation. Arrangements for classroom observations must be made with the teacher at least 48 hours in advance – no unannounced visits will be permitted. To minimize interruptions and distractions during instructional time, and to ensure the health and safety of students, classroom observations may not last longer than 20 minutes per visit unless prior agreement has been made with site administration. The teacher or principal may also limit the number of observations that a parent/guardian can make.

Observations are opportunities for parents/guardians to see and experience the programs and services that their child is participating in. School administration are responsible to ensure that observations provide reasonable accommodation to parents/guardians while preventing undue interference with instruction, harassment of students and/or staff, conduct that hinders school/district operations, or conduct that creates a hostile, intimidating, or unsafe learning or working environment.

During a classroom observation, the parent/guardian may not interact with any student or the teacher unless the interaction is initiated by the teacher. The principal or designee may be present in the observed setting in order to accommodate follow-up discussion or clarify questions that may arise. A follow-up meeting with the teacher or principal may be scheduled as needed to address any questions or concerns.

On the day of the observation, the parent/guardian must follow the rules and procedures for visiting the school campus, including signing in at the front office and providing proof of identification. The use of any electronic listening or recording device in the classroom without the prior consent of the teacher and the principal is prohibited as it disrupts and impairs the teaching process and discipline in the schools.

School administration may deny requests or ask any visitor to leave campus if, by their presence or action, disrupts or threatens to disrupt normal school operations at a school campus or any other district facility, threatens the health and safety of students or staff of anyone on district property, does not demonstrate civil and non-discriminatory behavior, or causes or threatens to cause damage to any property damage in accordance with law, Board policy, or administrative regulation.

Volunteering on Campus

Volunteer assistance enriches the educational program, enhances supervision of students, and contributes to school safety while strengthening the school's relationships with the community.

Parents/guardians have the right, under the supervision of district employees, to volunteer their time and resources for the improvement of school facilities and school programs, including, but not limited to, providing assistance in the classroom with the approval, and under the direct supervision, of the teacher.

Volunteers are required to:

- Complete a volunteer application and meet any screening criteria required generally for volunteers as well as specific criteria for assigned tasks
- Complete a volunteer orientation and any appropriate training
- Register/sign in immediately each time upon entering any school building or grounds
- Get permission from the site administrator prior to bringing other children or individuals with them during their volunteer hours
- Report directly to and remain in the designated location(s) and time identified for their volunteer service
- Work cooperatively with school personnel and consistently demonstrate appropriate language and behavior, as defined by school personnel
- Maintain confidentiality, as volunteers may be exposed to information, incidents or interactions that are not for public distribution
- Report concerns or concerning observations promptly and directly to staff they are assigned to and/or administration
- Act in accordance with district policies, regulations and school rules

Site administration determines the extent and scope of the use of volunteers at the site. Volunteers will be assigned specific responsibilities under the supervision of identified staff members. Volunteer registration may be denied or revoked and volunteers may be asked to leave school or district facilities by school staff.

School administrators will request prompt removal of any individual from school grounds who, by their presence or action, disrupts or threatens to disrupt normal school operations at a school campus or any other district facility, threatens the health and safety of students or staff of anyone on district property, does not demonstrate civil and non-discriminatory behavior, or causes or threatens to cause damage to any property damage in accordance with law, Board policy, or administrative regulation.

Parent Responsibilities

Parents/guardians support the learning environment of their child by:

- Monitoring and encouraging consistent attendance of their child
- Ensuring that homework or activities are completed and turned in on time as applicable
- Encouraging their child to participate in extra-curricular and co-curricular activities
- Monitoring and regulating television viewed by their child and their media exposure/activities
- Working with their child at home in learning activities that extend the classroom learning
- Volunteering in their child's classroom(s) or for other school activities

- Participating in decisions related to the education of their own child or the total school program as appropriate

Custodial Rights and Responsibilities of Parents/Guardians ([BP 5020](#), [AR 5020](#), [BP 5021](#))

The Vista Unified Board of Trustees recognizes the right of parents/guardians to be involved in the education of their children and desires to balance that right with the District's need to ensure the safety of students while at school. School procedures are consistent with applicable laws and regulations regarding enrollment and residency requirements connected to the custodial rights and responsibilities of parents/guardians.

Staff will presume that both parents/guardians listed in the student's records have equal rights regarding their child, including, but not limited to:

- enrollment in school
- pick up during or after school
- disenrollment from school
- access to student records, including Aeries Parent Portal, documents, meetings with staff
- make updates to the student's information, including emergency contacts, phone numbers, addresses
- participate in school activities, or visiting the school
- consent to counseling and assessments

The school has no legal jurisdiction to refuse a biological parent or legal guardian access to their child and/or school records. The only exception is when signed restraining orders or proper divorce papers, specifically stating visitation limitations, are on file in the school office. Parents/guardians are responsible to ensure that school staff possess current copies of all legal custody or other documents that limit or restrain any parental rights.

Parents are asked to make every attempt not to involve school sites in custody matters. Any student release situation which leaves the student's welfare in question will be handled at the discretion of the principal or designee. Should any such situation become a disruption to the school, law enforcement will be contacted, and an officer will be requested to intervene. The school will make every attempt to reach the custodial parent when a parent or any other person not listed on the emergency card attempts to pick up a child. Please refer to the [Rights and Responsibilities of Parents and Guardians Regarding Custody and Enrollment](#) brochure for more details and information.

Student Support Services at the district office can provide guidance and support for unique custody situations such as a power of attorney or caregiver affidavit.

School Accountability Report Card

A School Accountability Report Card (SARC) is an annual report provided annually to parents/guardians of California's school children and is required by the State of California. The SARC provides parents/guardians with valuable information about the overall performance of the school their child attends. The District maintains [digital copies of SARCs](#) and parents/guardians can request a printed copy in the school office.

EXTRACURRICULARS

Participation in School-Sponsored Activities ([BP 6145.5](#), [AR 6145.5](#))

All students are eligible to participate in school-sponsored activities, but participation in such activities is a privilege not a right. Specific activities, groups or privileges may also require certain levels of academic achievement. Students may be excluded from activities for any of the following reasons:

- Multiple unexcused absences or lates/tardies
- Multiple discipline referrals
- On-campus or out-of-school suspensions or other administrative discipline

School-sponsored activities include, but are not limited to: student government, sports, clubs, other extracurricular activities, 5th grade promotion ceremony, and end-of-year activities.

Regular school rules, expectations, and consequences apply to all school activities, including evening and weekend events.

Study Trips (Field Trips) ([BP 6153](#), [AR 6153](#))

Each school year our teachers plan many exciting study trips for our students. The goal of each study trip is for students to extend their learning while having experiences outside of the classroom. Please reach out to your child's teacher for more information regarding which study trips will be planned.

Student Leadership

We believe that students need many opportunities to develop leadership skills for their future. We provide several ways for them to learn the importance of providing service to others including Student Council, Dolphin Broadcast and Safeties.

Media Release

Photographs are very helpful in showing the activities that are carried on in our school. They also are used to enhance instruction and to inform the general public of instructional programs. Images may be used for, but not limited to: print materials, electronic productions, school and/or teacher websites, gallery presentations, and public relations releases. **If you would prefer not to have your child photographed or videotaped, please come to the school office and request an Opt Out Form.**

HEALTH & WELLNESS

Health Services

The Health Office provides first aid and evaluation of symptoms or injuries that occur at school. The goal of the Health Office is to enable students to remain at school while preventing the spread of contagious disease.

Students who become ill or injured at school must check in to the Health Office first before calling or going home. When a student checks in at the Health Office, an assessment of the symptoms and determination of treatment will be done. If the student needs to go home, then a call will be made to a parent/guardian, or another contact listed in Aeries, to pick up the student. If the school nurse or health tech feels that the student is able to stay in school, the student will be treated and then sent back to class, unless the parent/guardian requests that the student is to go home.

During class time, students will be required to have a pass from a teacher when entering the Health Office. If it is an emergency, this requirement can be waived.

Health Concerns & Monitoring Health Conditions ([BP 5141.24](#))

Parents/guardians must notify the school if their student has a specific health condition. This can be done at the time of enrollment, when completing or updating the Emergency Card via Parent Portal online, or whenever the student's health status changes. It is necessary that the school has the correct address of the student's residence, multiple working phone numbers for the parent(s), and a complete listing of adults who the office can contact in the event of illness or emergency. If a phone number or address changes at any time during the school year, the parent/guardian must update the student's record in the Parent Portal and, if applicable, bring proof of address to the office.

Information and forms for specific medical conditions or situations can be found on the [School Nurse and Healthcare web page](#).

Any medical condition that may require special handling must be documented in the medical file. There must be written documentation from the physician. All notes and forms containing student medical information including, but not limited to, doctor's notes, prescriptions, diagnostic assessments, psychology assessments, etc., must be submitted to the Health Office. The Health Office staff will ensure that the documents are distributed to the appropriate personnel on campus.

Medication ([BP 5141.21](#), [AR 5141.21](#), [BP 5141.24](#))

The Health Office is to be notified when a student is on any type of continuing medication even if it is taken at home. This will alert the staff in the event your child has a reaction at school.

Unless authorized to carry and self-administer prescription asthma medication or auto-injectable epinephrine, students should not be in possession of any prescribed or over-the-counter medications while at school. All medications must be left in the Health Office following the directions below. Students who use their medication other than as prescribed and authorized (*i.e.*, giving or selling it to other students) will be subject to disciplinary action.

In order for medication to be administered at school, parents/guardians must complete an Authorization for Medication Administration Care form, available online or in the Health Office. The completed form should be submitted to the Health Technician at the same time the student's medication is provided. Prescription medication must be in a pharmacy-labeled container/packaging, while over-the-counter medication must be in its original container/packaging, with the student's full name, medication name, proper dosage, and time to be given. Medication cannot be provided in baggies, pill boxes, or any other container in which the medication was originally packaged.

The School Nurse or Health Technician cannot dispense any (prescription or over the counter) medication without a doctor's written order and written parent permission. All medication is locked up in the Health Office and dispensed per the physician's order. Parents/guardians should check the expiration date on all medication that is provided to the school site and update the medication as needed. The following are some additional protocols regarding specific types of medication and/or circumstances:

- **Long-term medication:** Provide no more than a 1 month supply and replenish the medication as needed.
- **Over-the-counter medication:** Medication (*i.e.*, Benadryl, Tylenol, or herbal medication) must be in the original container clearly labeled with the student's name.
- **Diabetics:** A Diabetic Management Plan must be filled out and signed by the parent/guardian and doctor. The Plan and all emergency medication (glucagon and glucose gel) should be given to the Health Technician.
- **Epipens and epinephrine auto-injectors:** A Potential Anaphylactic Reaction form (H-58) should be completed and signed by doctor and parent/guardian. (H-26 form is not necessary)
- **Asthma:** Provide spacers for inhalers, if indicated, and review the student's use of the inhaler with the school site Health Technician.
- **Sports teams and medication:** Health Technicians and Coaches can communicate and share forms related to the student's health and medication regimen. However, because all medication must be stored in the Health Office and student athletes may need medication outside of school hours or away from the school site for practice and competition, parents/guardians must provide another set of medication for such instances.

The only medications that may be carried by the student without a parent/guardian's and doctor's authorization are contact solution, lip balm, and cough drops.

Note: At the end of the school year, parents/guardians will be asked to pick up all unused medications.

Medications left more than one week after the school year ends will be destroyed.

Immunizations & Physical Exams ([BP 5141.31](#), [AR 5141.31](#), [AR 5141.32](#))

Immunizations

To protect the health of all students and staff and to curtail the spread of infectious diseases, the school cooperates with state and local health agencies to encourage immunization of all district students against preventable diseases.

Students entering a district school or child care and development program, or transferring between school campuses, must present an immunization record which shows at least the month and year of each immunization in accordance with law before they are admitted to school.

A [current list of required immunizations by age](#) and grade level is available online or can be obtained in the Health Office. Immunizations must remain up-to-date in order for a student to remain in school. If this is not corrected, a letter of warning and then a letter of exclusion from school will be mailed home.

Exemptions

Students will be excluded from school or exempted from immunization requirements only as allowed by law.

As of January 1, 2016, parents/guardians are not allowed to submit a personal belief exemption to a currently required vaccine. Medical exemptions can only be issued through the California Immunization Registry -- Medical Exemption (CAIR-ME). School Nurses will evaluate medical exemptions with documentation from a licensed Medical Doctor (MD) or Doctor of Osteopathic Medicine (DO) provided to the Health Office by the parent/guardian.

Physical Exams

Parents/guardians must submit to the Health Office a certification form developed by the California Department of Health Services (DHS) and signed by their student's health examiner that the student has completed a comprehensive health screening within 18 months before entering first grade or up to 90 days after starting first

grade. A parent/guardian may submit a waiver on a DHS form if the parent/guardian does not want or is unable to obtain a health screening. If the waiver indicates that the parent/guardian is unable to obtain the services, the reasons should be included in the waiver. Students may be excluded from school up to 5 school days, beginning on the 91st day, if the parent/guardian fails to present evidence of the health screening or a waiver.

Guidelines for Parents on Keeping Ill Students Home

School Nurses and Healthcare staff have created the following [Guidelines for Parents on Keeping Ill Students Home](#).

Students should not be sent to school if they have any of the following signs or symptoms:

1. **Fever (over 100 degrees).** Keep home until the student has not had a fever for at least 24 hours without the use of fever reducing medication (e.g., Tylenol, Motrin).
2. **Cough and difficulty breathing.** Do not send to school if the student has labored breathing (heaving of chest muscles with each breath), rapid breathing at rest, blue color to skin, or wheezing (if never previously evaluated and treated), and see a doctor. Keep home if the student has pertussis (whooping cough) until 5 days of antibiotics have been received, or tuberculosis (until treated).
3. **Rash that is undiagnosed.** Keep home especially when there is a fever and behavioral change.
4. **Chicken pox.** Keep home until all blisters are scabbed over and there are no signs of illness.
5. **Diarrhea.** Keep home if the student wears diapers, if there is blood or mucus in the stool (unless from medication or hard stool), if the stools are all black or very pale, or if the stools are very watery and are increasing in frequency. See a doctor immediately if diarrhea is accompanied by: no urine output for 8 hours; jaundiced skin; or the student looks/acts very ill.
6. **Vomiting.** Keep home if the student is vomiting more than once a day or it is accompanied by fever, rash or general weakness.
7. **Impetigo.** Keep home for 24 hours after starting an antibiotic treatment.
8. **Ringworm (a contagious skin fungus infection).** Keep home until treatment is started. If it is in an exposed area, upon return, cover the visible area with dressing and/or clothing. Ringworm on the scalp requires an oral medication, but the student may return to school if covered with appropriate cream or bandage.
9. **Cold sores.** Cold sores can be passed from one person to another, but only through direct contact. Children who drool or place toys in their mouths when they have cold sores should stay home; other children may come to school.

Unless otherwise indicated, students with the above symptoms need to be absent for at least 24 hours prior to returning to school.

Antibiotics

Children, who are placed on antibiotics for impetigo, strep throat, and several other bacterial infections, should be on them for a FULL 24 hours (longer for Pertussis/Whooping Cough) before returning to school to prevent the spread of those infections.

Illness, Accidents and Emergencies at School ([BP 5141](#), [AR 5141](#))

Students who become ill or injured at school must check in to the Health Office first before going home. Each student will be evaluated and their symptoms will be responded to with care. Many times students return to class after a rest, ice and/or first aid. While we document these routine visits to the health office, we generally do not contact parents unless we are seeing a pattern of illness.

If a student has an accident or becomes ill at school, the parent/guardian will be contacted using the information listed on the student's emergency card provided through Aeries Parent Portal. Please make sure that you notify the office in person or make changes in the Parent Portal immediately if your phone number or your address changes.

- Head Injury reports will be sent home when a student reports a fall/accident in which they hit their heads, in addition to a phone call home.
- Students will be sent home if they vomit, have a fever of 100 degrees or more, have a significant (disruptive) cough, or a rash.
- Notification will be made for students with bruising, scrapes or other visible injuries.

Students may be released to adults listed as contacts in Aeries Parent Portal at the discretion of administration and with the approval of the parent/guardian. Make sure to have at least three contacts (parents, grandparents, neighbors or friends) who can pick up your child from school. Proper picture identification is required for anyone that will be picking up students during the school day. It is recommended that at least 3 other trusted adult contacts are listed in Aeries in the event of an unexpected situation, but parents/guardians may update their contact list at any time to authorize other adults to pick up their student.

Head Lice ([BP 5141.33](#))

Any time children come together, such as at the beginning of the school year and at sleepovers, cases of head lice commonly increase. Head lice do not spread disease and are not a serious medical condition, but they can be a nuisance.

If a student is found with active, adult head lice, the student will be allowed to stay in school until the end of the school day. The parent/guardian will be given information about the treatment of head lice and encouraged to begin treatment of the student immediately and to check all members of the family. The parent/guardian will also be informed that the student will be checked upon return to school the next day and allowed to remain in school if no active head lice are detected. If it is determined that the student remains infected with head lice, the school nurse or designee will contact the student's parent/guardian to discuss treatment. As needed, staff may provide additional resources and/or referral to the local health department, health care providers, or other agencies.

If a student is found consistently infested with head lice, the student may be referred to a multi-disciplinary team, which may consist of the school nurse, representatives from the local health department and social services, and other appropriate individuals, to determine the best approach for identifying and resolving problems contributing to the student's head lice infestations.

If it is determined that one or more students in a class or school are infested with head lice, the principal or designee may, at their discretion, notify parents/guardians of students in that class or school and provide them with information about the detection and treatment of head lice.

The following are steps families can take at home to help prevent children from contracting head lice.

For all children:

Parents/guardians should speak with their child about not sharing personal items such as brushes, combs, and hats. If a child has long hair, wearing it in a ponytail is always a good idea when children are in close proximity.

Parents/guardians should check their child's head weekly for lice and/or nits as a regular part of the grooming routine. Mature lice, which are no larger than a sesame seed, avoid light and are hard to see. Nits are usually found very close to the scalp, typically within 1/4 of an inch. They look like tiny whitish ovals glued to the hair shaft and they cannot easily be flicked away.

Please contact the office in the event lice are found so that staff can follow-up appropriately at school.

(BP 5141.33)

Family Life ([BP 6142.8](#))

During the academic year, fifth grade students are scheduled for a course which includes a Family Life/Puberty Education unit. Family Life provides age-appropriate and developmentally-appropriate

information that supports the development of health literacy and positive health behaviors. The instruction focuses on puberty education, changing bodies, and healthy decision-making.

Child Abuse & Neglect Reporting

All employees of the Vista Unified School District are considered mandated reporters, required by law to report all known or suspected incidents of child abuse and neglect whenever there is reasonable suspicion abuse or neglect has occurred. Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on their training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred, nor does it require a specific medical indication of child abuse or neglect. District employees may not investigate to confirm a suspicion.

Parents also have a right to file a complaint against a school employee or other person that they suspect has engaged in abuse of a child at a school site. All complaints must be filed through a formal report by contacting the local law enforcement agency or by calling the Child Abuse Hotline at (858) 560-2191 or (800) 344-6000.

Wellness Policy ([BP 5030](#))

The District has an adopted Wellness Policy that supports student wellness through health education, physical education and activity, health services, nutrition services, psychological and counseling services, and a safe and healthy school environment. Parents/guardians and staff are to follow the wellness policy and are to reinforce students' understanding and appreciation of the importance of a healthy lifestyle to learning and academic performance. For more information about the District's Wellness Policy and other wellness initiatives of the District, please review [BP 5030](#).

Food Services

Food service is open before school, and during recess and lunch. Nutritious meals or a-la-carte items are available. A monthly menu is distributed at school and is also available online at <http://wavecrestcafe.com/> This year all lunches are served to students at no cost.

Food Allergies/Special Dietary Needs

There are students who have special dietary needs and/or are allergic to certain foods or ingredients (e.g., peanuts, tree nuts, wheat, milk, etc.). When exposed to an allergen, affected students may experience shortness of breath, wheezing, difficulty breathing, difficulty talking or swallowing, hives, itching, swelling, shock, or asthma. Students will not be excluded from school activities nor otherwise discriminated against, harassed, intimidated, or bullied because of their food allergy.

Please help keep all of students safe and healthy at school by keeping in mind the following:

1. Parents/guardians are responsible for notifying the principal or school nurse, in writing, regarding their child's food allergies or other special dietary needs.
2. When a student's food allergy or food intolerance substantially limits one or more major life activities, the student may be evaluated to determine if accommodations pursuant to Section 504 are required.
3. The school may designate allergen-free area(s) to ensure students with allergies are safe.
4. Students should not share or exchange meals or utensils with other students.
5. Without identifying the student, the principal or teacher may notify parents/guardians of other students in the class that a student is allergic to a specific food and may request that certain foods not be provided at class parties or other school events.
6. Parents/guardians are encouraged to bring non-food items, such as stickers or pencils, for school celebrations in lieu of food items which present a challenge for students with food allergies.
7. When sending food for others to consume, do not send any foods that do not have food labels.

Bringing Food from Home

Lake Elementary supports VUSD Board Guidelines for healthy foods.

- Student snacks and lunches should be healthy and nutritious. Please avoid sending food items to school such as: soda, candy, cake, cookies, ice cream or any unhealthy option.
- The Board prohibits the use of non-nutritious foods as rewards or incentives for students.

Classroom Parties

- Staff will encourage parents/guardians to use non-food items when donating for occasional class parties. Sweets, sodas, and candy are not acceptable and will not be allowed for events during the school day.

Water Bottles

Students are encouraged to bring a reusable bottle to fill and refill water to consume while on campus. Drinking water plays an important role in maintaining a child's overall health in the following ways:

1. Supports muscles, joints, and tissues
2. Improves digestive system
3. Keeps growing bodies hydrated
4. Positively impacts cognitive performance, particularly short-term memory
5. Improves visual attention and fine motor skills
6. Can prevent excess weight gain when substituting sugary drinks

SAFETY

Coming to and Leaving from School (Ingress/Egress)

Campus Supervision and Drop Off Procedures

Students should be dropped off no earlier than 7:40 a.m. Supervision is available beginning at 7:40 a.m. All school gates will be closed and locked at 8:00 when all students should be present for class. Students arriving after the morning bell will need to check in through the office. Thank you for your consideration.

Pick Up Procedures

Please pick your children up promptly. There will be supervision in Dolphin Island area for 20 minutes after the dismissal bell. Students picked up after that time will need to be checked out in the office. If arrangements need to be made during the school day for an alternative pick-up plan the office will contact the parent/legal guardian using the documented contact information on file for verification. Students will need teacher approval to use an office phone before or after school. Please see [this video](#) for additional information.

Parents are welcome to use the parking lot in Lake Park when dropping off or picking up students at dismissal. For security purposes, the gate will be locked during school hours. For your safety and the safety of your children, please do not cut through traffic in the parking lot. Walk on the sidewalk or near the fence after exiting your vehicle.

Whether you are using the parking lot in Lake Park or the one in front of the school, we appreciate your courtesy to other drivers and your safe driving. Help us keep all Lake students safe from harm.

Transitional Kindergarten and Kindergarten Pick Up

Kindergarten students must be picked up at the kindergarten playground starting 10 minutes before the dismissal bell rings. These students will not be released without a parent present unless prior arrangements have been made with the teacher for siblings or someone other than a parent to pick up.

Parking Lot Safety

Please remember to follow these guidelines when using the parking lot before and after school:

1. **DURING MORNING DROP OFF** always pull forward as far as possible. Your child should be ready to get out of the vehicle immediately. As soon as your child enters Dolphin Island, pull ahead out of the lot. The morning drop-off line has two lines and includes all grade levels.
2. **DURING DISMISSAL PICK UP** please wait in the left lane until turning the corner approaching Dolphin Island. Always pull forward as far as possible. Your child has been instructed to watch for your vehicle and follow it as they walk through Dolphin Island.
3. **DO NOT LEAVE YOUR VEHICLE UNATTENDED AT ANY TIME UNLESS IT IS PARKED IN A PARKING SPACE.** If you need assistance while in line, get the attention of one of the Lake staff members.
4. **DO NOT STOP IN ANY THROUGH LANE.**
5. **PLEASE DRIVE SLOWLY AND CAREFULLY IN THE PARKING LOT.** The safety of our students is our number one priority and we would be deeply saddened if an inattentive driver injured a student.
6. Watch out for crossing guards and never enter a crosswalk if a crossing guard or pedestrian is in the crosswalk.
7. The speed limit on Lake Blvd. is 25 miles per hour when students are present.
8. Please refrain from using cell phones while you are driving in the school parking lot.

Walking to School

Please say goodbye to your student(s) at the front of the school. Parents & visitors are not allowed on campus before or after school for safety reasons

Bikes/Scooters/Skateboards

Bike riding and using a scooter are limited to students in grades 3-5 who have a signed permit on file with the office. All riders must wear a safety helmet. Remind your child to use extreme caution at all times while riding. Bicycles must be locked for adequate protection in the designated bike area.

Visitors

Other than parents/guardians who have been given prior approval to be on campus, students may not have visitors during school hours or at school events. **All visitors must sign in at the Front Office upon arrival and register on the Raptor Visitor Management System.** Visitors will be asked to present a photo ID and their purpose for entering school grounds. Visitors without a photo ID will have their information manually entered into Raptor by a staff member.

Once a visitor has been approved, a visitor's badge will be printed and the visitor must have the badge displayed for the duration of the visit. Unless otherwise directed by the principal or designee, a staff member will accompany visitors while they are on school grounds. Anyone on school grounds without permission is in violation of law and may be reported to law enforcement.

Closed campus

In order to provide safety for students and to protect the learning environment, the school is maintained as a closed campus.

- After arriving at school, students are not permitted to leave school grounds.
- Only enrolled students may be on campus when school is in session.

Emergency Contacts

Staff may only release a student to the individuals listed on the student's emergency card. For this reason, it is very important that the emergency contacts are kept current on each student's emergency card. To make changes please go to the Aeries Parent Portal at <https://parents.vistausd.org/LoginParent.aspx>

Dress Code ([BP 5132](#), AR 5132, [BP 5136](#))

Dress and grooming affect the attitude of the students in their work and study habits and contribute to productive learning and a safe environment. All staff members are responsible for enforcing standards of dress. Principals and designees may establish additional local school regulations as they become necessary and appropriate.

The following guidelines apply to all regular school activities:

1. Clothing, jewelry, and personal items must be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive or which promotes the use of alcohol, drugs, tobacco, or other illegal activity.
2. Clothing, jewelry, and personal items may not degrade race, gender, sexual orientation, ethnicity, religious, political, or secular organizations.
3. Skin art with the following types of writings or images must be covered:
 - Vulgar, lewd, obscene, profane, or sexually suggestive
 - Promotes the use of alcohol, drugs, tobacco, or other illegal activity

- Can be reasonably determined to threaten the health and safety of the school environment if displayed on a school campus
- 4. Appropriate shoes must be worn at all times.
- 5. Hats, caps, and other head coverings and sunglasses must not be worn indoors.
- 6. Clothes must be sufficient to conceal undergarments and cover the chest area, abdomen, and posterior. Specifically:
 - See-through, strapless, halter, and tube tops and bare abdomens are prohibited.
 - Skirts and shorts must be worn at an appropriate/acceptable length for sitting as well as standing.
 - Pants must fit at the hip so that they will stay on without a belt or stay at the hip with a belt.
- 7. Chains or weapons, such as those attached to belts, pockets, or wallets, that present a safety hazard are prohibited.
- 8. Students must be cleanly dressed so as not to promote unhealthy or unsanitary conditions.

The dress code will be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and cocurricular activities.

No grade of a student participating in a physical education class will be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control.

Students are allowed to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day.

School administrators reserve the right to make an informed judgment on the appropriateness of student attire and may prohibit specific items when behavior from students warrants the need to do so.

Gang-Related Apparel

"Gang-related apparel" includes any clothing, accessories or other items that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. Because gang-related apparel and symbols are constantly changing, definitions of gang-related apparel are consistently reviewed and updated on an ongoing basis in collaboration with law enforcement agencies. Some identified gang-related apparel that may not be worn at school:

- Shorts worn below the knee with knee length socks
- Extra-long t-shirts worn on the outside (not tucked into pants) T-shirts thrown over or hanging from the shoulder or pockets
- Plaid shirts, with hem worn on the outside of pants and buttoned at the neck
- Cloth/web belts with metal buckles that have initials and/or numbers either stamped on or through them
- Long belts worn with the end hanging down in the front
- Pants which are slit or frayed at the cuff
- Pants worn more than two (2) inches below the waist
- Pants worn with rubber bands around the ankles
- Bandanas hanging from clothing or pockets
- Excessively oversized, baggy or sagging pants, or pants that drag the ground
- Articles personalized with gang-related writing, names, symbols, gothic (Old English) or "tag" style lettering, slogans such as "Smile Now/Cry Later", "Rollin Hard", or "Eight Ball", certain cities or regions depicted by zip code, initials, numbers, abbreviations, slang terms or actual names (760, 619, Oceanside, San Diego)
- Cold weather gloves worn out of season or gloves worn on one hand
- Logos, brands, colors, accessories, alterations, skin art or other items deemed by administrators, in consultation with law enforcement, to indicate gang affiliation.

Accountability for Dress Code Violations

Decisions regarding the appropriateness of clothing will be handled by administration.

Students in violation of dress code expectations will be required to modify/replace their attire to meet the dress code standards. Students may be:

- asked to change into school appropriate clothing
- wear sweater/jacket or other item to cover clothing
- change into their PE clothes
- wear alternate clothing provided by the school
- call home to have a change of clothes brought to school

Students with repeated dress code violations will have progressive discipline, including meeting with administration, parent/guardian conference, or further disciplinary action, including loss of privilege(s).

Clothing or accessories depicting controlled substances or violent or offensive images may be confiscated by administration and returned to parents/guardians.

Inclement Weather (Rainy Days)

During inclement weather (rain or excessive heat) we will use an alternative plan that includes having students stay indoors in their classroom for their morning and or lunch recess. Noon duties supervise the students to ensure student safety. Whenever possible we try to keep students outdoors as we know that having students active outdoors is an integral part of their learning day.

Animals on Campus

In order to assure the health and safety of staff, students and visitors, animals may not be brought onto school property. Individuals who bring animals to campus will be asked to take them off campus and if the owner cannot be contacted, the Department of Animal Control will be called.

The District does have policies and procedures to evaluate requests for service animals. School Administrators, in collaboration with district staff, review and approve requests for animals on campus for educational purposes, including classroom fish tanks or assemblies which involve animals.

Emergency Preparedness

Each year, the school reviews and updates the Comprehensive School Safety Plan (CSSP) designed to address campus risks, prepare for emergencies, and create a safe, secure learning environment for students and school personnel. These plans are collaboratively developed with input from staff, parent advisory groups, local law enforcement and district staff and approved by the VUSD Governing Board each year.

Please see your school administrator if you have any questions or concerns about safety protocol.

BEHAVIOR & SCHOOL DISCIPLINE

Civility & Conduct

Each person should be treated with dignity and respect in their interactions within the school community and civility has on the effective operation of our school, including its role in creating a safe and positive school climate and enabling a focus on student well-being, learning, and achievement. All staff, students, parents/guardians and other visitors are expected to consistently demonstrate civil behavior in all interactions and communications.

Civil behavior is polite, courteous, and reasonable behavior which is respectful to others and includes integrity, honesty, acceptance, timeliness, dependability, observance of laws and rules, and effective communication. Practices that promote civil behavior include actively listening, giving full attention to the speaker, and refraining from interruptions; welcoming and encouraging participation, input, and feedback through stakeholder engagement; promptly responding to concerns; and embracing varying and diverse viewpoints.

We recognize that the First Amendment provides strong protection for speech. However, we expect that all speech and expression will comport with norms of civil behavior on district grounds, in district facilities, during district activities or events, and in the use of district electronic/digital systems and platforms.

Students, staff, parents/guardians, and community members must not communicate or behave in a manner that causes disruption; hinders the orderly conduct of district operations, the educational program, or any other district program or activity; or creates an unsafe learning or working environment.

Behavior by students or staff that is discriminatory, harassing, or intimidating, including sexual harassment, bullying, and/or hate violence, or behavior that is in any other way unlawful, is prohibited and is subject to discipline in accordance with law and as specified in district policy and regulations.

Hate Motivated Behavior & Hate Speech

Vista Unified School District is committed to addressing hate-motivated behavior and hate speech in our schools. This approach balances accountability with support, giving students opportunities to learn, grow, and foster a positive, inclusive school culture.

To address hate-motivated behavior effectively, all schools in the district will implement a progressive discipline model. This method ensures appropriate responses to each incident while offering educational opportunities to help students understand the impact of their actions. The focus is on corrective measures to change behavior, not just punishment. Site Administrators have the authority to determine how to apply the following steps:

1. Verbal Warning and Education

- For a first incident, the school will address the student with a private conversation and issue a verbal warning.
- During this conversation, educators will explain why the language or behavior is harmful, reinforcing the school's values of respect and inclusivity. This step serves as an opportunity for the student to reflect and learn.

2. Written Warning and Counseling

- If the behavior continues, a written warning will be issued, along with a mandatory counseling session.
- This step emphasizes the seriousness of the behavior and provides the student with guidance to support their understanding and personal growth.

3. Parent/Guardian Involvement and Behavior Plan

- In cases of persistent or more serious incidents, a meeting will be held with the student's parents or guardians to discuss the behavior and jointly create a personalized behavior plan.
- Involving the family ensures collaborative support for the student's positive change.

4. **Suspension or Further Disciplinary Action**

- For repeated or severe instances, disciplinary measures such as suspension or other administrative responses may be applied.
- This step is a last resort, underscoring the district's commitment to maintaining a respectful and safe environment for all students.

Unsafe Behavior

Ensuring physical safety requires that students make mature and appropriate decisions regarding their own behavior. Being involved in aggressive “mock fighting,” horseplay, or dangerous activities such as scaling fences or sitting “on” moving vehicles can be extremely hazardous. Students are asked to use common sense and good judgment to avoid putting themselves at risk.

In addition, students involved in throwing ANY objects at other students or into crowds will be subject to severe disciplinary action

Positive Behavioral Interventions and Supports

Through our Positive Behavioral Interventions and Supports (PBIS) systems, we strive to create positive, predictable, equitable and safe learning environments where everyone thrives.

This PBIS system begins with building a solid Tier 1 foundation where all students are engaged in understanding and supporting the implementation of clear school-wide expectations that create a positive learning environment. When needed, students will be provided with Tier 2 and/or Tier 3 interventions or Other Means of Correction based on the severity of the infraction as well as the frequency of the behavior:

- Minor infractions are those that are disruptive to the learning environment and are in violation of school rules and expectations.
- Major infractions are those that are more serious or repeated inappropriate behaviors that negatively impact our ability to ensure a positive and safe learning environment for students and staff.

When students are not following expectations or staff directives, interventions and other means of correction will be used by teachers in classrooms, as well as by administrators, with the goal of improving the behavior and restoring the student back into the school community.

Potential Interventions and Consequences

Most students are very serious about wanting to take full advantage of the time they spend in school. Students who come to school ready to learn and participate in activities seldom have problems with school rules. However, the conduct of a student should not interfere with the educational rights of others.

District discipline policies and regulations are to be enforced consistently and fairly without regard to race, creed, color or sex. Discipline based on faith in the worth and dignity of each individual is a positive form of guidance rather than a punitive device. In all cases of disciplinary action, students are protected by due process.

At any time, students may be counseled by teachers or administrators regarding their behavior. If this occurs, students will be informed as to what they must do to make their behavior acceptable. Possible consequences, if needed, will also be explained.

Jurisdiction

Students are responsible for their behavior and may have consequences for inappropriate behavior that occurs at any time, but not limited to:

1. While on school or district property.
2. While going to or returning from school.
3. During lunch, recess and passing periods whether on or off campus.
4. During, or while going to or coming from, a school-sponsored activity, including but not limited to dances, athletics, study trips, etc.

Interventions

- Conference with Student and Parent
- Student Study Team Meeting with Accommodations
- Detention with Assignment Regarding Behavior
- Counseling Indiv/Group
- Referral For Psycho-Educational Assessment/504
- Positive Behavior Support and Interventions (PBIS)/ Character
- Education During the School Day
- Behavior Contract/Support Plan
- In School Suspension with Assignment Regarding Behavior
- Restorative Justice/Peer Mediation
- After School Program
- Reteach/Review Rules/Expectations
- Loss of item or privilege
- Home Visit

Other Means of Correction [EC 48900.5]

Disciplinary measures that may result in loss of instructional time or cause students to become disengaged from school, such as detention, suspension, and expulsion, will be imposed only when required or allowed by law or when other means of correction have been documented to have failed. Other means of correction include, but are not limited to, the following:

- Warnings
- Review of rules and expectations
- A conference between school personnel, the student's parent/guardian, and the student
- Referrals to the school counselor, psychologist, social worker, child welfare attendance personnel, or other school support service personnel for case management and counseling
- Student study teams, guidance teams, resource panel teams, or other intervention-related teams that assess the behavior, and develop and implement individualized plans to address the behavior in partnership with the student and the student's parents/guardians
- Referral for a comprehensive psychosocial or psychoeducational assessment, including for purposes of creating an individualized education program, or a plan adopted pursuant to Section 504
- Enrollment in a program for teaching prosocial behavior or anger management
- Participation in a restorative justice program
- Conflict mediation
- A positive behavior support approach with tiered interventions that occur during the school day on campus
- Removal of privileges or participation in activities
- After school programs that address specific behavioral issues or expose students to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups
- Specific interventions designed to teach knowledge and skills related to the specific behavior.

- **Office Discipline Referral:** A teacher may refer a student to administration, for committing any of the offenses listed in Education Code 48900. Administration will determine appropriate consequences based on the incident details and disciplinary history of the student. [\[EC 48910\]](#)
- **Community Service:** School or district administrators may require a student to perform community service on school grounds or, with written permission of the student's parent/guardian, off school grounds. "Community service" may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. Community Service will not be used during the period of suspension or pending expulsion. [\[EC 48900.6\]](#)
- **Detention or Saturday School:** Administrators may assign detention (before or after school) or Saturday School to students as part of the disciplinary process. The purpose of a detention or Saturday School is to engage the student in an intervention, such as one of the Other Means of Correction or community service.

Disciplinary measures that may be used for serious and/or repeated violations can include:

- **Class Suspension:** A teacher may suspend any student from class for the day of the suspension and the following day, for committing any of the offenses listed in Education Code 48900. If the student is assigned to more than one class per day, the suspension will only apply to the class from which the student was suspended; the student will be allowed to attend their other classes unless the administration determines otherwise. [\[EC 48910\]](#)

As part of the process of suspending a student from class, the teacher must:

- Immediately report the suspension to the principal and send the student to the principal or designee for appropriate action.
- Ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension as soon as possible. If practicable, a school counselor or a school psychologist may attend the conference. A school administrator must attend the conference if it is requested by the teacher or the parent/guardian.

During a class suspension, the student must:

- Not be returned to the class from which they were suspended, during the period of the suspension, without the agreement of the teacher and the principal.
 - Be under appropriate supervision.
- **In-School Suspension:** In-school suspensions (ISS) will be imposed only when other means of correction fail to bring about proper conduct or when a student has committed an offense listed in [EC 48900](#) (a)-(e) only. ISS is assigned for a partial or full day(s). [\[EC 48900.5\]](#) During ISS, students will not be allowed to attend classes but will be provided with their regular classwork/homework to complete. Students in ISS will not be released to interact with other students during regularly scheduled breaks or lunch periods.
 - **Suspension, out of school:** Suspension out of school will be imposed only when other means of correction fail to bring about proper conduct or when a student has committed an offense listed in [EC 48900](#) (a)-(e) only or if the student's presence causes a danger to others. [\[EC 48900.5\]](#) Students may be suspended for 1-5 days. Parents/guardians of students suspended for more than two school days may request homework and assignments for the student to complete. [\[BP 5144.1, AR 5144, AR 5144.2\]](#)

Prior to suspension: [\[EC 48911\]](#)

- The administrator will meet with the student, and when possible, the staff member who referred the student. At this due process conference, the student must be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension, and the evidence against the student, and the student

must be given the opportunity to present their version and evidence in their defense. The student will be asked to sign the suspension notice, acknowledging that they have been offered these opportunities in the meeting, which is not an agreement to the evidence presented by administration, or an admission. Administrators will take note if a student refuses to sign, verifying that the meeting did take place.

- If there is an “emergency situation” in which the administrator determines that the situation constitutes a clear and present danger to the life, safety, or health of students or school personnel, the administrator will hold the due process conference within two schooldays, unless the student waives this right or is physically unable to attend for any reason, including, but not limited to, incarceration or hospitalization. The conference must then be held as soon as the student is physically able to return to school for the conference.
- At the time of suspension, a school employee must make a reasonable effort to contact the student’s parent/guardian in person, by email, or by telephone. A suspension notification will be provided to the parent/guardian in person, by email or mail. If applicable, a foster child’s educational rights holder, attorney, and county social worker, or, if applicable, an Indian child’s tribal social worker will receive these notifications.

Parents/guardians are expected to respond without delay to a request from school officials to attend a conference regarding their student’s behavior.

- **Suspension Pending Expulsion:** If a student commits an act that may result in an expulsion recommendation or that requires a recommendation to expel, the student will be put on Suspension pending expulsion. The same due process steps explained for a Suspension (above) will be followed and the school administration will also schedule a Due Process/Extension of Suspension meeting with the student, parent/guardian and district office personnel within 5 school days. During that meeting, the school will share the findings and evidence from their investigation that led to a recommendation for expulsion and the student and parent/guardian will have an opportunity to provide additional information or evidence as well as ask any questions. The expulsion process will be reviewed in the meeting. Students who are recommended for expulsion are provided with access to their assignments through modified independent study if they are placed on an extended suspension pending an expulsion hearing and final Board approval. [[BP 5144.1](#), [AR 5144](#), [AR 5144.2](#)]
- **Willful Defiance SB 274** - Beginning 7/1/24, prohibits the suspension of students in grades 9-12 for a violation of ED 48900(k), but retains a teacher’s existing authorization to suspend any student from class for that violation. A student may not be suspended for a 480900(k) violation which is defined as “disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties”. A 48900(k) suspension was already prohibited in grades K-8.
- **Pupil Rights - Recess SB 291** - This bill deletes the authority of a teacher or school staff member to restrict for disciplinary purposes the time a pupil is allowed for recess. Recess must be a minimum of 30 minutes on regular instructional days and at least 15 minutes on early release days for all K-8 schools. P.E. and meal time may not be included in the required minutes for recess.
- The only time a student’s recess may be restricted is if the student poses an immediate threat to the physical safety to themselves or one or more pupil peers.

Witnesses and Bystanders

All students, parents, and staff are encouraged to address negative behavior to help us continuously improve school climate. When someone witnesses negative behavior, that person’s response or lack of a response,

influences school climate. Denouncing negative behavior supports the establishment of a safe and healthy school for everyone. Taking no action to negative behavior can be viewed as acceptance, giving more permission to the person engaging in the negative behavior.

We recommend that witnesses take one of the following actions:

1. If it is safe to do so, stop the behavior or tell the person(s) involved to stop the behavior.
2. Verbally report the behavior to the appropriate school staff member (school resource officer, assistant principal, counselor, teacher, nurse, etc.)
3. Complete and submit an incident report to the appropriate assistant principal.
4. Call 911 when appropriate.

Anonymous reports may be made through PSST World (www.psstworld.com).

Witnesses and bystanders are expected to immediately move away from and report any altercation or other inappropriate behavior in which others are engaging. Any individual who attempts to go near to observe, takes pictures or video of, or comments on (including yelling, encouraging, etc.) an altercation or other inappropriate behavior that others are engaging in will, at a minimum, have consequences for aiding and abetting under Ed Code 48900 (t) which could result in suspension from school after the first offense.

School Property and Fines

Parents/guardians may be held financially liable if their child willfully cuts, defaces, or otherwise injures any property, real or personal, of the District or school employee, or willfully does not return district property loaned to the child upon demand of an authorized school employee. School property includes, but is not limited to, electronic files and databases. The school may further withhold the grades, diploma, and transcript of the student until the parent/guardian has paid for the damages.

If the student or the parent/guardian is unable to pay for the damages, or return the property, a program of voluntary work will be assigned to the student in lieu of the payment of monetary damages.

Search and Seizure ([BP 5145.12](#), [AR 5145.12](#))

We are committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons or dangerous objects, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, and only as authorized by law, Board policy and administrative regulation, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, stolen or otherwise prohibited items. School officials must exercise discretion and use good judgment when conducting searches.

School officials may search an individual student, the student's property, or district property under the student's control when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law, Board policy, administrative regulation, or other rules of the District or the school. Reasonable suspicion must be based on specific and objective facts that the search will produce evidence related to the alleged violation. Student property may also be searched including, but are not limited to, lockers, desks, purses, backpacks, and student vehicles parked on district property.

Law Enforcement

Schools are required to report criminal behaviors such as possession of controlled substances, weapons, and fighting/assault to law enforcement. Law enforcement act in accordance with Penal Code, which may overlap and differ from Education Code, and students who commit criminal behavior at school will be subject to both school and legal consequences. ([BP 5145.11](#))

When a principal or other school official releases a minor student to a peace officer for the purpose of removing the minor from the school premises, the school official must take immediate steps to notify the parent, guardian, or responsible relative of the minor regarding the release of the minor to the officer, and regarding

the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse. [\[EC 48906\]](#)

If a minor is released to a peace officer due to suspected child abuse, the school will provide the peace officer with the address and telephone number of the minor's parent/guardian. The peace officer must take immediate steps to notify the parent, guardian, or responsible relative of the minor that the minor is in custody and the place where the minor is being held. If the officer has a reasonable belief that the minor would be endangered by a disclosure of the place where the minor is being held, or that the disclosure would cause the custody of the minor to be disturbed, the officer may refuse to disclose the place where the minor is being held for a period not to exceed 24 hours. The officer must, however, inform the parent, guardian, or responsible relative whether the child requires and is receiving medical or other treatment. The juvenile court must review any decision not to disclose the place where the minor is being held at a subsequent detention hearing. [\[EC 48906\]](#)

Categories of Severe Behaviors and Potential Consequences

Severe behaviors have an extremely negative impact on safety and the effective functioning of the school. While our primary goal is to provide effective interventions that correct inappropriate behaviors at school, California Education Code (EC) identifies specific behaviors that could lead to suspension or expulsion. The sections below define categories of severe behaviors and potential consequences.

- [Physical Aggression and Violence](#)
- [Controlled Substances, Tobacco and Paraphernalia](#)
- [Prohibited or Dangerous Objects](#)
- [Property Theft, Destruction](#)
- [Threats, Harassment, Intimidation and Bullying](#)
- [Obscenity, Profanity, Vulgarity, and Offenses of a Sexual Nature](#)
- [Defiance & Disruption](#)

Select this link for [definitions](#) for specific words in the section below.

Physical Aggression and Violence

Conflict Resolution and Mediation

Conflicts can occur throughout society, not just between students at school. Students must develop strategies to constructively and respectfully exchange ideas and viewpoints. Some strategies that reduce conflict on campus include agreeing to the following:

- Avoid the use of derogatory names
- Try to understand the intent of another person's actions before reacting
- Respect individuals as they are
- Educate and learn from each other
- Listen to each other's perspective
- Include all students in all cultural clubs
- Contribute to unifying the school by working together to resolve conflicts
- Request mediation between students and staff when necessary.

When conflicts cannot be resolved at the communicator-level, we use restorative practices to facilitate the above strategies and help rebuild conflict-torn relationships. School staff are always willing to help students resolve conflicts.

Physical Aggression and Violence

Physical aggression and violence are unacceptable ways to resolve conflict and will not be tolerated on our campus and staff will intervene when they know, observe or have reasonable suspicion that students are threatening, attempting or causing physical harm or force or violence on others.

Students who stay to observe, take photos of, record, join in, or “jump into” a fight in progress will, at a minimum, be considered to be aiding or abetting the attempted infliction of injury to another person.

Consequences and Interventions

If administration determines that a student is in violation of any directives related to threatening, physical aggression or violence, they may implement any other means of correction, including a requirement for the student to participate in school-level interventions related to emotional regulation, anger management, restorative justice or conflict resolution. Administration may also refer to internal services from a counselor or social worker and they may also refer students out to other decision-making or anger management programs. As these violations are serious and dangerous in nature, students may also be suspended or recommended for expulsion based on the guidelines below.

Behaviors that may result in suspension on first offense:

- Threatening, [attempting](#) or causing **physical injury** to another person. [EC 48900 (a)(1)].
This includes fighting, retaliation to physical aggression (mutual combat) or even play-fighting that results in injury.
- Willful use of **force or violence on another person**, except in self-defense. [EC 48900 (a)(2)].
Includes one-sided [assault](#).

Behaviors that may result in suspension after the first offense:

- [Aiding](#) or [abetting](#) the infliction or [attempted](#) infliction of physical injury to another person [EC 48900 (t)] with a dual finding. This includes:
 - *Social media communications discussing, encouraging, or posting about physical aggression, or other inappropriate behavior that others are doing.*
 - *Getting close to or circling up to observe an altercation or other inappropriate behavior that others are doing.*
 - *Taking photos, videos or recording altercations or other inappropriate behavior that others are doing, including posting or sharing these.*

A student who solely aids or abets the infliction or attempted infliction of physical injury to another person may be suspended, but not expelled, unless the student has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury.

Behaviors that may result in a recommendation for expulsion:

- Threatening, [attempting](#) or causing physical injury to another person, including fighting, retaliation to physical aggression or even play-fighting that results in injury. [EC 48900 (a)(1)] with a dual finding
- Willful use of force or violence on another person, except in self-defense, including one-sided assault. [EC 48900 (a)(2)] with a dual finding
- Caused serious physical injury to another person, except in self-defense. [EC 48915(a)(1)(A)] with a dual finding *Law enforcement will be notified.*
- [Assault](#) or [battery](#) upon any school employee, as defined in Sections 240 and 242 of the Penal Code. [EC 48915 (a)(1)(E)] with a dual finding. *Law enforcement will be notified*

Controlled Substances, Tobacco and Paraphernalia

Controlled Substances

Using, being under the influence of, providing (giving to or leaving for someone else), having (even if someone gave it to you), or selling tobacco, alcohol or other controlled substances pose a clear and serious danger and staff will intervene when they know, observe or have reasonable suspicion of a violation.

Tobacco and Tobacco Products [BP 3513.3, AR 3513.3, BP 5131.62]

Smoking, possession or use of tobacco, or any product containing tobacco or nicotine (cigarettes, cigars, miniature cigars, smokeless tobacco, snuff, chew, clove cigarettes, betel, electronic cigarettes, electronic hookahs, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products), is not allowed while on campus or while attending school-sponsored activities.

Tobacco use is prohibited before and after school, in the parking lot, in or out of cars, and outside school entrances and areas adjacent to and around school property. Possession of lighters, matches, and other smoking paraphernalia is also prohibited.

Alcohol and Other Drugs [BP 5131.6, AR 5131.6, BP 5136.61]

Use of, providing (giving to or leaving for someone else), having (even if someone gave it to you), selling, or being under the influence of alcohol or any other drugs, other than prescribed medication administered in accordance with medical directions, are not allowed while on school property or while attending any schools-sponsored activities.

Non-Punitive Self-Referral

We strongly encourage any student who is using alcohol or drugs to discuss the matter with their parent/guardian or any school staff member. Students who disclose past use of alcohol or other drugs when seeking help from an intervention or recovery program must not be punished or disciplined for such past use. (This does not include a student who is in possession or under the influence of alcohol or other drugs at the time of reporting this information.)

Consequences and Interventions

If administration determines that a student is in violation of any directives related to tobacco, alcohol, drugs, or other controlled substances, they may implement any other means of correction, including a requirement for the student to participate in school-level interventions related to controlled substances. Administration may also refer to internal services from a counselor or social worker and they may also refer students out to other diversion and rehabilitation programs. As these violations are serious and dangerous in nature, students may also be suspended or recommended for expulsion based on the guidelines below. The Governing Board may require a student who is expelled from school for reasons relating to controlled substances, or alcohol, prior to returning to school to enroll in a county-supported drug rehabilitation program.

Behaviors that may result in **suspension** on first offense:

- **Possessing**, using, **selling**, providing or being **under the influence** of a **controlled substance**, including alcohol or other intoxicants [EC 48900(c)]. *Law enforcement will be notified.*

Behaviors that may result in **suspension** after the first offense:

- **Offering**, **arranging** to sell or **negotiating** to sell a **fake controlled substance** [EC 48900(d)]
- **Offering**, **arranging** to sell or **negotiating** to sell the prescription drug, Soma. [EC 48900(p)] *Law enforcement will be notified.*

- [Possessing](#) or using tobacco or products containing **tobacco or nicotine**, including vapes. [EC [EC 48900](#) (h)]
- [Possessing](#), [offering](#), [arranging](#) to sell or [negotiating](#) to sell drug **paraphernalia**. [EC [48900\(j\)](#)]

This includes tobacco, THC or other vapes, parts of vapes, and any items used to package, distribute or consume controlled substances.

Behaviors that may result in a recommendation for **expulsion**:

- [Possessing](#) a controlled substance other than the first offense for the possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis (excludes THC vapes) or the possession of over-the-counter medication for use by the student for medical purposes or medication prescribed for the student by a physician. [EC 48915 (a)(1)(C) with a dual finding. *Law enforcement will be notified.*

Behaviors that will result in a **mandatory** recommendation for **expulsion**:

- Selling a controlled substance (other than alcohol) listed in Chapter 2 (commencing with [Section 11053](#)) of Division 10 of the Health and Safety Code. [EC 48915(c)(3)] *Law enforcement will be notified.*

HSC Chapter 2, Section 11053- 11059 includes controlled substances as: opiates, opium derivatives, hallucinogenic substances, depressants (Mecloqualone, Mecloqualone, GHB), stimulants (Cocaine, amphetamines, methamphetamines, Fenethylamine, N-Ethylamphetamine), narcotics (opiates, hydrocodone, oxycodone, etc), steroids, ketamine), fentanyl, etc.

Prohibited or Dangerous Objects

Prohibited Items

Students are expected to come to school with only the necessary items and supplies that are to be used for their classes and their learning. Some items, that may be perfectly acceptable to have and use in the home environment, are not permitted to be at school because they can cause disruption to classroom or orderly school environments, create an unclean or unsafe environment, and frequently lead to conflict or more serious incidents.

Prohibited items include the items below and anything that may resemble a weapon or dangerous object.

Weapons and Dangerous Objects

Students may not possess (even if someone gives it to you), provide, use, or sell weapons, imitation firearms, or dangerous objects of any kind in school buildings, on school property or buses, at school-related or school-sponsored activities away from school, or while going to or coming from school.

School staff will intervene when they know, observe or have reasonable suspicion of a violation and any school employee is authorized to confiscate a weapon, dangerous instrument, or imitation firearm from any person on school grounds.

Consequences and Interventions

If administration determines that a student is in violation of any directives related to weapons or dangerous objects, they may implement any other means of correction, including a requirement for the student to participate in school-level interventions related to decision-making, restorative practices or other appropriate interventions. Administration may also refer to internal services from a counselor or social worker and they may also refer students out to other programs. Students who use weapons or dangerous objects to threaten,

attempt to harm, or harm any other person will face appropriately serious consequences. As required by law, law enforcement will be notified. As these violations are serious and dangerous in nature, students may also be suspended or recommended for expulsion based on the guidelines below.

Behaviors that may result in **suspension** on first offense:

- **Possessing, selling** or otherwise **furnishing** a **firearm, knife, explosive, or other dangerous object**. [EC 48900 (b)] *Law enforcement will be notified.*

Behaviors that may result in **suspension** after the first offense:

- **Possessing** an **imitation firearm**. [EC48900 (m)]. *Law enforcement will be notified.*

Behaviors that may result in a recommendation for **expulsion**:

- **Possessing** a **knife or other dangerous object** of no reasonable use to the student. [EC 48915 (a)(1)(B)] **with a dual finding**. *Law enforcement will be notified.*

Behaviors that will result in a **mandatory** recommendation for **expulsion**:

- **Brandishing** a **knife** at another person. [EC 48915 (c)(2)] *Law enforcement will be notified.*
- **Possessing, selling** or otherwise **furnishing** a **firearm**. [EC 48915 (c)(1)] *Law enforcement will be notified.*
- Possessing an **explosive**. [EC 48915 (c)(5)] *Law enforcement will be notified.*

Property Theft, Destruction

All students are expected to demonstrate respect and appreciation for school property by treating all school property, including the physical campus and the items that are purchased for staff and student use (furniture, technology, supplies, etc.) with care. Students are also expected to respect the property of others by not touching, damaging or taking items that do not belong to them.

Consequences and Interventions

If administration determines that a student is in violation of any directives related to property damage, destruction or theft, they may implement any other means of correction, including a requirement for the student to participate in school-level interventions, restorative practices or other appropriate interventions. Administration may also refer to internal services from a counselor or social worker and they may also refer students out to other programs.

Parents/guardians may be held financially liable if their child willfully cuts, defaces, or otherwise injures any property, real or personal, of the District, employee or other person, or willfully does not return District property loaned to the child upon demand of an authorized school employee. Property includes, but is not limited to, electronic files and databases. The school may further withhold the grades, diploma, and transcript of the student until the parent/guardian has paid for the damages. [EC 48904]

If the student or the parent/guardian are unable to pay for the damages, or return the property, a program of voluntary work may be assigned to the student in lieu of the payment of monetary damages.

Students who threaten, attempt to harm, or harm any other person, such as robbery or extortion, will face appropriately serious consequences. As required by law, law enforcement will be notified. Theft and property

destruction may result in police action and possible prosecution. As these violations are serious and dangerous in nature, students may also be suspended or recommended for expulsion based on the guidelines below.

Behaviors that may result in **suspension** after the first offense:

- Causing or [attempting](#) to cause **damage to school property or private property**. [[EC 48900](#) (f)]
- [Stealing](#) or [attempting](#) to steal **school property or private property**. [[EC 48900](#) (g)]
- Knowingly **received stolen school property or private property**. [[EC 48900](#)(l)]

This means that someone gave you, or you took, property that was not yours that you knew was stolen from someone else.

- Committing or attempting to commit [robbery](#) or [extortion](#) [[EC 48900](#) (e)]

Behaviors that may result in a recommendation for **expulsion**:

- [Robbery](#) or [Extortion](#). [[EC 48915](#) (a)(1)(D)] with a dual finding. *Law enforcement will be notified.*

Threats, Harassment, Intimidation and Bullying

We are committed to each student's success in learning within a caring, responsive, and safe environment that is free of threatening, harassment, intimidation, violence, and bullying.

Each student has a right to:

- Learn in a safe and friendly place
- Be treated with respect
- Receive the help and support of caring adults

Students are strongly encouraged to anonymously report any issues regarding bullying or cyberbullying.

Verbal and non-verbal threatening, harassment, or intimidation is prohibited including, but not limited to:

- Vulgar letters, notes, posters, symbols or other offensive communications
- Comments, gestures, hand signs, facial expressions, stare-downs or touches
- Any forced action such as pulling clothes down, blocking or cornering someone in a sexual way
- Negative comments, slurs, or behaviors
- Force or threat of violence through outright actions, intimidation, or bullying.
- Aggressive "mock fighting," horseplay, or dangerous activities such as scaling fences or sitting "on" moving vehicles
- Clothing, signs, stickers, jewelry or any other items with images or words that are disrespectful, discriminatory, intimidating, threatening, or harassing to others

Discrimination, Harassment, Intimidation, and Bullying ([BP 5131.2](#), [BP 5145.3](#), [AR 5145.3](#), [AR 5145.41](#))

The Vista Unified School District prohibits unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

All school personnel who witness an act of discrimination, harassment, intimidation, or bullying must take immediate steps to intervene when safe to do so. Any student who engages in acts of discrimination, harassment, violence, intimidation, or bullying related to school activity or school attendance occurring within a school may be subject to disciplinary action up to and including expulsion.

Any student, parent, or other individual may report an incident to a teacher, the principal, a compliance officer, or any other available school employee. The complaint alleging unlawful discrimination, harassment, intimidation, or bullying against any student, employee, or other person participating in district programs and activities must be filed no later than six months from the date of the alleged conduct or the date the complainant first obtained knowledge of the facts of the alleged conduct. Complaints will be investigated and resolved through [AR 1312.3](#) - Uniform Complaint Procedures (UCP).

Consequences and Interventions

If administration determines that a student is threatening, harassing, intimidating, discriminating against or bullying others, they may implement any other means of correction, including a requirement for the student to participate in school-level interventions, restorative practices or other appropriate interventions. Administration may also refer to internal services from a counselor or social worker and they may also refer students out to other programs.

Students who threaten, attempt to harm, or harm any other person, will face appropriately serious consequences. As required by law, law enforcement will be notified. Threatening, intimidation and harassment may result in police action and possible prosecution. As these violations are serious and dangerous in nature, students may also be suspended or recommended for expulsion based on the guidelines below.

- **Threatening, attempting** or causing **physical injury** to another person, including fighting, retaliation to physical aggression or even play-fighting that results in injury. [\[EC 48900 \(a\)\(1\)\]](#)

Behaviors that may result in suspension after the first offense:

- **Harassing, threatening, or intimidating** a student who is a complaining **witness** or a witness in a school disciplinary proceeding [\[EC 48900 \(o\)\]](#).
- Engaging in, or **attempting** to engage in, **hazing** [\[EC 48900 \(q\)\]](#)
- **Bullying:** Engaged in an act of bullying and/or cyberbullying. [\[EC 48900 \(r\)\]](#)

(1) **“Bullying”** means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students as defined in EC 48900.2, 48900.3, or [48900.4](#), directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

(A) Placing a [reasonable student](#)(s) in fear of harm to their person or property.

(B) Causing a [reasonable student](#)(s) to experience a substantially detrimental effect on the student’s physical or mental health.

(C) Causing a [reasonable student](#)(s) to experience substantial interference with the student’s academic performance.

(D) Causing a [reasonable student](#)(s) to experience substantial interference with the student’s ability to participate in or benefit from the services, activities, or privileges provided by a school.

(2) (A) **“Electronic act”** means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or

other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

(i) A message, text, sound, video, or image.

(ii) A post on a social network internet website, including, but not limited to:

(I) Posting to or creating a burn page. **“Burn page”** means an internet website created for the purpose of having one or more of the effects listed in paragraph (1).

(II) Creating a credible impersonation of another actual student for the purpose of having one or more of the effects listed in paragraph (1). **“Credible impersonation”** means to knowingly and without consent impersonate a student for the purpose of bullying the student and such that another student would reasonably believe, or has reasonably believed, that the student was or is the student who was impersonated.

(III) Creating a false profile for the purpose of having one or more of the effects listed in paragraph (1). **“False profile”** means a profile of a fictitious student or a profile using the likeness or attributes of an actual student other than the student who created the false profile.

(iii) (I) An act of cyber sexual bullying.

(II) **“Cyber sexual bullying”** means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a student to another student or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (A) to (D), inclusive, of paragraph (1). A photograph or other visual recording, as described in this subclause, must include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(III) For purposes of this clause, “cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

(B) Notwithstanding paragraph (1) and subparagraph (A), an electronic act must not constitute pervasive conduct solely on the basis that it has been transmitted on the internet or is currently posted on the internet.

For students in grades 4 through 12, disciplinary action may include suspension and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) will be taken into account. Any employee found to have engaged in sexual harassment or sexual violence toward any student will be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

The following individual has been designated as the District's Title IX Coordinator: Dr. Joan Faus, Director - 1234 Arcadia Ave., Vista, CA 92084 (760) 726-2170 ext. 92180 joanfaus@vistausd.org. The Title IX Coordinator is responsible for coordinating the District's efforts to comply with Title IX sexual harassment complaint procedures, as well as to oversee, investigate, and/or resolve sexual harassment complaints processed under the Uniform Complaint Procedures.

Instructional Program

As a preventative measure, students will receive age-appropriate instruction and information on sexual harassment, including:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence.
2. A clear message that students do not have to endure sexual harassment under any circumstance.
3. Encouragement to report observed instances of sexual harassment even when the victim of the harassment has not complained.
4. A clear message that student safety is the District's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved.
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, will be investigated and action will be taken to respond to harassment, prevent recurrence, and address any continuing effect on students.
6. Information about the District's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made.
7. Information about the rights of students and parents to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the District investigation of a sexual harassment complaint continues.
8. A clear message that, when needed, the District will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation.

Defining Sexual Harassment

Sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors or other unwanted verbal, visual or physical conduct of a sexual nature made against another person of the same or opposite sex, in the educational setting, under any of the following conditions:

1. Submission to the conduct is explicitly or implicitly made a term or condition of a student's academic status or progress.

2. Submission to or rejection of the conduct by a student is used as the basis for academic decisions affecting the student.
3. The conduct has the purpose or effect of having a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment.
4. Submission to or rejection of the conduct by the student is used as the basis for any decision affecting the student regarding benefits and services, honors, programs, or activities available at or through any district program or activity.

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sexual harassment in violation of District policy if it has a continuing effect on or creates a hostile school environment for the complainant or victim of the conduct.

For purposes of applying the complaint procedures specified in Title IX of the Education Amendments of 1972, sexual harassment is defined as any of the following forms of conduct that occurs in an education program or activity in which a district school exercises substantial control over the context and respondent:

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct.
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the District's education program or activity.
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291.

Examples of Sexual Harassment

Examples of types of conduct which are prohibited and which may constitute sexual harassment under state and/or federal law, in accordance with the definitions above, include, but are not limited to:

1. Unwelcome leering, sexual flirtations, or propositions
2. Unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions
3. Graphic verbal comments about an individual's body or overly personal conversation
4. Sexual jokes, derogatory posters, notes, stories, cartoons, drawings, pictures, obscene gestures, or computer-generated images of a sexual nature
5. Spreading sexual rumors
6. Teasing or sexual remarks about students enrolled in a predominantly single-sex class
7. Massaging, grabbing, fondling, stroking, or brushing the body
8. Touching an individual's body or clothes in a sexual way
9. Impeding or blocking movements or any physical interference with school activities when directed at an individual on the basis of sex
10. Displaying sexually suggestive objects

11. Sexual assault, sexual battery, or sexual coercion
12. Electronic communications containing comments, words, or images described above

Reporting and Investigating Allegations of Sexual Harassment

Students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student, an employee, or a third party or who have experienced off-campus sexual harassment that has a continuing effect on campus are strongly encouraged to report the incident to their teacher, the principal, the District's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment must notify the Title IX Coordinator within one school day. The report must be made whether the alleged victim files a formal complaint or requests confidentiality.

Once notified, the Title IX Coordinator will determine whether the complaint or allegation is to be addressed through AR 5145.71 – Title IX Sexual Harassment Complaint Procedures or BP/AR 1323.3 – Uniform Complaint Procedures. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator will ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3. The Title IX Coordinator will offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances. If, upon the conclusion of an investigation, sexual harassment is determined to have occurred, the Title IX Coordinator, or designee in consultation with the Coordinator, will take prompt action to stop the sexual harassment, prevent recurrence, implement remedies, and address any continuing effects.

Records of all reported cases of sexual harassment are maintained in accordance with law and District policies and regulations to enable the District to monitor, address and prevent repetitive harassing behavior in its schools.

To review the full text of the District's board policy and administrative regulation on sexual harassment, please go to <https://www.vistausd.org/departments/educationalexcellence/student-support-services/youth-advocacy-service>. A copy of the written policy on sexual harassment is included in school and District publications and posted in the main administrative offices and other areas where rules, regulations, procedures, and standards of conduct are provided. Additionally, each school site serving students in grades 9 through 12 has the written policy posted in each bathroom and locker room. A copy of the policy, as it pertains to students, is provided as part of any orientation program conducted for new and continuing students. Staff members also receive a copy of the policy at the beginning of the school year or at the time of hire.

- Caused, attempted to cause, threatened to cause, or participated in an act of, **hate violence**. [[EC 48900.3](#)] (Grades 4-12) with a dual finding.

Hate Violence: As used in this section, "hate violence" means any act punishable under Section [422.6](#), [422.7](#), or [422.75](#) of the Penal Code.

In order to foster a supportive environment for a diverse student body, the Vista Unified School District provides guidelines to assist in the reduction and/or prevention of hate harassment and hate behavior (School Board Policy 5145.9). Report all hate behavior to staff and administration.

- (a) No person, whether or not acting under color of law, must **by force or threat of force, willfully injure, intimidate, interfere with, oppress, or threaten** any other person in the free exercise or enjoyment of any right or privilege secured to him or her by the Constitution or laws of this state or by the Constitution or laws of the United States in whole or in part *because of one or more of the actual or perceived characteristics of the victim*. [PC 422.6]

- Intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment. [\[EC 48900.4\]](#)
- Made **terroristic threats** against school officials or school property, or both. [\[EC 48900.7\]](#) with a dual finding

(b) For the purposes of this section, “terroristic threat” must include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family. [\[EC 48900.7\]](#)

Obscenity, Profanity, Vulgarity, and Offenses of a Sexual Nature

Public Display of Affection

The school recognizes that genuine feelings of affection may exist between students; however, students should refrain from inappropriate intimate behaviors on campus or at school-related events. Repeated or especially inappropriate behavior in this regard may result in disciplinary action. Public displays of affection deemed inappropriate include: intimate embraces, kissing, fondling, lewd or other inappropriate conduct. It also includes “twerking” or other inappropriate or sexually suggestive dancing. Students may be suspended for more than one incident involving this type of behavior (see [EC 48900 \(i\)](#) below).

Behaviors that may result in suspension after the first offense:

- Committed an obscene act or engaged in habitual profanity or vulgarity [\[EC 48900 \(i\)\]](#)
- Committed or attempted to commit a [sexual assault](#) or [sexual battery](#). [\[EC 48900 \(n\)\]](#) (see mandatory expulsion recommendation below)

Behaviors that will result in a mandatory recommendation for expulsion:

- Committing or attempting to commit a [sexual assault](#) or committing a [sexual battery](#) as defined Section [261](#), [266c](#), [286](#), [287](#), [288](#), or [289](#) of, or former Section 288a of, the Penal Code or committed a sexual battery as defined in Section [243.4](#) of the Penal Code.

Defiance & Disruption

By law, students are required to do what is reasonably asked of them by adults at school, as long as the request does not cause physical or mental danger to them. If a student feels that they are being treated unfairly, the student should refrain from arguing with the staff member and take the appeal to an administrator. **School staff is defined as any and all adult personnel.**

All school staff members are in a position of authority on campus and at any school-related activity. Direct challenges or verbal abuse toward a staff member will result in disciplinary action. If the challenge or verbal

abuse is considered a threat of bodily harm to a staff member, disciplinary action could result in arrest and possible suspension.

Behaviors that may result in suspension after a first offense:

- Grades 9-12 Only: Disrupted school activities or otherwise willfully defied the valid authority of school personnel engaged in the performance of their duties [\[EC 48900 \(k\)\]](#)

Students in grades TK-8 will have Other Means of Correction for defiance or disruption.

Definitions:

Abetting: Encouraging, inciting, or inducing another to commit a crime. [\[PC 31\]](#)

Aiding: Assisting, supporting, or helping another to commit a crime. [\[PC 31\]](#)

Assault: An unlawful attempt, coupled with a present ability, to commit a violent injury on the person of another. [\[PC 240\]](#)

Attempting: Attempting means that a person has tried to do something or put in effort to do something. Attempting to cause physical harm, for example, could include throwing something at someone or trying to hit, kick or otherwise hurt someone, even if you were unsuccessful in harming them.

Arranging or Negotiating: Arranging or negotiating means that a person was making plans and exchanging details about providing something or getting something from someone, even if you or the other person was not actually planning to follow through. For example, talking with another student about getting a firearm, other weapon or controlled substance, even if one or both of you did not actually plan to do it is considered arranging or negotiating.

Battery: Any willful and unlawful use of force or violence upon the person of another. [\[PC 243\]](#)

Brandishing a Knife: “Brandishing” means any person who, except in self-defense, in the presence of any other person, draws or exhibits (a knife), in a rude, angry, or threatening manner, or who in any manner, unlawfully uses a deadly weapon other than a firearm in any fight or quarrel. [\[PC 417\]](#)

Bullying: [See linked definition.](#)

Dual Finding: A decision to expel must be based on a finding of one or both of the following:

(1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct. Other means of correction include review of rules/expectations and interventions for similar offenses.

(2) Due to the nature of the act, the presence of the student causes a continuing danger to the physical safety of the student or others. This determination will be made using the student’s disciplinary record and facts from the incident.

Explosive: An explosive is defined as any substance, or combination of substances, whose main purpose is to detonate or rapidly combust and is capable of an instantaneous release of gas and heat. An explosive is also considered any substance whose main purpose is to be combined with other substances to create something that would explode. Does not include lighters, matches, “poppers”. [\[HSC 12000\]](#)

Extortion: Extortion is the obtaining of property or other consideration from another, with consent, or the obtaining of an official act of a public officer, induced by a wrongful use of force or fear, or under color of official right. [\[PC 518\(a\)\]](#)

Firearm:	A firearm means “a device, designed to be used as a weapon, from which is expelled through a barrel, a projectile by the force of an explosion or other form of combustion...[this] also includes a rocket, rocket propelled projectile launcher, or similar device containing an explosive or incendiary material, whether or not the device is designed for emergency or distress signaling purposes...” Examples of “firearms” include: [PC 16520] <ul style="list-style-type: none"> ● pistols, ● revolvers, ● handguns, and ● shotguns (including short-barreled shotguns)
Furnishing:	Furnishing means that you gave it to someone - whether they were aware of it or not. For example, if you put something in someone’s backpack, you are furnishing, and if you put it somewhere where someone else found it or picked it up, you are furnishing.
Hazing:	“Hazing” means a method of initiation or preinitiation into a student organization or body, whether or not the organization or body is officially recognized by an educational institution, that is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective student.
Imitation Firearm:	“Imitation firearm” means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm (includes bb guns, paintball guns, airsoft guns, or water guns/toys that are substantially similar to a real gun). Note that threatening harm with an imitation firearm could result in an expulsion recommendation. Examples of imitation firearms include any of the following if they are substantially similar to a real firearm: <ul style="list-style-type: none"> ● bb guns, ● paintball guns, ● airsoft guns, or ● water guns/toys
Knife:	“Knife” means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade fitted primarily for stabbing, a weapon with a blade longer than 3-1/2 inches, a folding knife with a blade that locks into place, or a razor with an unguarded blade.
Mutual Combat:	When two or more individuals engage in physical aggression/altercation. This includes when one person starts an altercation and the other person retaliates. Retaliation is not considered “self defense”.
Obscene Matter:	Defined in PC 311
Offering:	If you ask someone if they want something or if you say that you will give or provide something to someone, that is offering. Offering can be made generically, such as a social media posting that advertises or suggests that something could be available from you.
Possession:	Possession means having, owning, or controlling something. Even if you did not bring it, even if it does not belong to you, if you have it for any reason, you are in possession.
Reasonable student	A student, including, but not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in conduct for a person of that age, or for a person of that age with the student’s exceptional needs.
Robbery:	Robbery is the felonious taking of personal property in the possession of another, from their person or immediate presence, and against their will, accomplished by means of force or fear. [PC 211]
Selling/sales:	Selling or sales means that money or some other object of value was exchanged for the item/substance.
Self Defense:	Individual did not want to fight, tried to avoid or stop fighting (evidence “I don’t want to fight.” “Stop/No”, trying to get away).

Sexual Assault: [PC 261](#) defines rape as a form of sexual assault
[PC 266c](#) defines sexual intercourse, sexual penetration, oral copulation, or sodomy as forms of sexual assault
[PC 286](#) further defines sodomy as a form of sexual assault
[PC 287](#) further defines oral copulation as a form of sexual assault
[PC 288](#) further defines sexual assault as: ... a person who willfully and lewdly commits any lewd or lascivious act... upon or with the body, or any part or member thereof, of a child who is under the age of 14 years, with the intent of arousing, appealing to, or gratifying the lust, passions, or sexual desires of that person or the child
[PC 289](#) further defines sexual assault as: an act of sexual penetration when the act is accomplished against the victim's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person

Sexual Battery: [PC 243.4](#) defines sexual battery as: Any person who touches an intimate part of another person, if the touching is against the will of the person touched, and is for the specific purpose of sexual arousal, sexual gratification, or sexual abuse.

- “touches” means physical contact with another person, whether accomplished directly, through the clothing of the person committing the offense, or through the clothing of the victim
- “Intimate part” means the sexual organ, anus, groin, or buttocks of any person, and the breast of a female

Stealing: Taking of items that are public or personal property of others. This includes not giving something back that someone else let you borrow or asked you to hold on to and it includes if you get something that belongs to someone else fraudulently (by lying or tricking them in some way). The major difference between theft and robbery/extortion is that there is no threat or use of force or fear. [PC 488]

Terroristic Threat: For the purposes of this section, “terroristic threat” must include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

Under the Influence: School staff, including health technicians, LVNs, RNs, Campus Supervisors and others that are trained, may evaluate the symptoms of being under the influence. Staff are not required to determine what substance or measure quantities (i.e., a breathalyzer or blood test is not required) of being under the influence to make a determination that a student is exhibiting symptoms of being under the influence.

REPORTING AND COMPLAINT RESOURCES

Collaborative Problem-Solving

We believe that the quality of our programs and services can be improved when we engage in conversation to resolve differences and or disagreements through a process focused on making decisions that are in the best interest of students. Parents/guardians, staff, students and community members are encouraged to first engage in conversations first with the person(s) or program where the concern exists.

Students, parents/guardians, staff and community members are encouraged to bring questions or concerns to school administration or other appropriate school staff by calling, emailing, or requesting a meeting so that we can collaboratively problem-solve directly with you.

Anonymous Reporting

Students, parents/guardians, staff and community members may submit anonymous reports to the district office using the [PSST/Report-It](#) system. Links to [PSST](#) are also available on school and district websites. District staff work with school staff to investigate and address concerns reported from [PSST](#) reports.

District Complaint Resolution

After speaking with the person or department where the concern exists and you have questions regarding the resolution of your concern/complaint or you believe the result to be unjust, the [District Complaint Resolution Process](#) outlines the process for resolving different types of complaints.

Some complaints fall within the **Uniform Complaint Procedures** process. Please see the *Annual Notification of Uniform Complaint Procedures for 2023-24* below for more information.

ANNUAL NOTIFICATION OF UNIFORM COMPLAINT PROCEDURES (UCP) for 2025-26

For students, employees, parents/guardians, school and District advisory committee members, private school officials, and other interested parties

Vista Unified School District has the primary responsibility to ensure compliance with applicable state and federal laws and regulations, including those related to unlawful discrimination, harassment, intimidation, or bullying against any protected group, and all programs and activities that are subject to the Uniform Complaint Procedures (UCP). The UCP shall be used to investigate and resolve complaints regarding the following programs and activities:

22. State Preschool
23. State Preschool Health and Safety Issues in LEAs Exempt from Licensing
24. Student Fees
25. And any other state or federal educational program the State Superintendent of Public Instruction (SSPI) or designee deems appropriate.

Filing a UCP Complaint

A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date when the reviewing authority approves the LCAP or annual update that was adopted by the District.

A student enrolled in any public school shall not be required to pay a student fee for participation in an educational activity. A student fee complaint may be filed with the principal or the Superintendent or designee.

A student fee or LCAP complaint may be filed anonymously, that is, without an identifying signature, if the complainant provides evidence or information leading to evidence to support an allegation of noncompliance.

A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

Copies of the UCP process are available free of charge. To obtain a copy of the complaint form and review additional UCP-related information, go to

<https://www.vistausd.org/departments/humanresources/complaint-resolution-resources>.

Compliance Officer

Complaints within the scope of the UCP are to be filed with the person responsible for processing complaints: Assistant Superintendent, Human Relations Rachel D'Ambrosio - 1234 Arcadia Drive, Vista, CA 9208 (760) 726-2170 ext. 92202 racheldambrosio@vistausd.org. The compliance officer is knowledgeable about the laws and programs that they are assigned to investigate.

Notification

The District's UCP policy and regulations are posted in all schools and offices, including staff lounges and student government meeting rooms. Written notification of the District's UCP is provided annually to students and their parents, employees, district and school advisory committee members, appropriate private school officials, and other interested parties.

The District also posts the standardized notice of the educational rights of foster youth, homeless students, former juvenile court students now enrolled in the District, children of military families, migrant students, and newcomer students, as specified in EC 48853, 48853.5, 49069.5, 51225.1, and 51225.2, and the complaint process on its website.

The District has a notice posted to identify appropriate subjects of state preschool health and safety issues in each California state preschool program classroom in each school notifying parents, guardians, students, and teachers of (1) the health and safety requirements under Title 5 of the California Code of Regulations that apply to California state preschool programs pursuant to HSC 1596.7925, and (2) the location at which to

obtain a form to file a complaint.

Appeal

A complainant may appeal the District's investigation report to the CDE by filing a written appeal within 30 calendar days after receiving the District's decision. The appeal must be accompanied by a copy of the originally filed complaint and a copy of the investigation report for that complaint. A complainant may also pursue civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable.
