Explorers Camp and Pioneers Camp

From: 8 to 11 and 12 to 15 years old

Language Course:

Participants will enjoy classes in the language of their choice (English, French, or Spanish) in a fun and exciting way.

Through games, challenges, and dynamic activities, they will be able to learn or improve the language almost without realizing it, while having fun, taking part, and making new friends.

Learning has never been so fun!

Explorers Camp

From: 8 to 11 years old

Multi-adventure

We will put participants' skills to the test with activities full of excitement!

They will be able to try archery, climbing, and slackline, always in a safe and fun environment.

In addition, we will organize games and group activities so everyone can get to know each other better, make friends, and feel part of the team from day one.

They will enjoy zip lines, jumps into a big airbag from different heights, exciting tubing runs, a karting circuit, and much more.

A perfect setting to experience adventures, release adrenaline, and make the most of the outdoors.

**Fun is guaranteed
in the heart of nature!**

Pioneers Camp

From : 12 to 15 years old

Multi-adventure

An unforgettable excursion awaits us!

We will travel to the nearby town of La Seu d'Urgell, where the Pioneers will experience a great adventure by going rafting on a fun water circuit.

Afterwards, we will relax at the swimming pool to cool off, play, and keep having a great time.

We will also discover two spectacular places in Andorra. First, we will cross the impressive Tibetan Bridge, 603 meters long and suspended 158 meters above the valley—a thrilling experience with incredible views!

And to finish, we will visit the Roc del Quer viewpoint, where we will enjoy unforgettable panoramic views of the Canillo Valley, perfect for taking photos and creating unique memories.
