Headteacher: Ms Helen Bridge BA MA

Dear Parents and Carers,

My Child at School (MCAS)

Kineton High School, along with others in the Trust has recently migrated its management information system from SIMs to BROMCOM. This secure system will host all our students' and staff information as well as important timetabling, curriculum and attendance functions.

We would be grateful if you would carry out the two actions below:

1. Set up your MCAS account

You will have exclusive access to school information regarding your child using the Parent Portal linked to BROMCOM. It is called "My Child at School" (MCAS).

You will shortly receive an email from KHSBromcomNotification@stowevalley.com which will invite you to create a password and set up your account. The link is time-sensitive and will expire if not actioned.

The MCAS application is available to download via Google Play, or Apple Store. Please select 'Yes' to pop up dialogue regarding 'enabling notifications' this allows parents to receive email through the App.

If you do not receive an email please search for My Child at School ([MyChildAtSchool - Login](#))- Login via your browser, enter your email address as the user detail followed by 'forgot password'.

2. Complete the application form within the Parent Portal.

Once you have successfully accessed the MCAS parent portal, please navigate to the Application tab which will be available for you to complete directly into BROMCOM.

This must be completed by Friday 22nd May please.

Please don't hesitate to contact the school if you have any queries or problems regarding either of these actions. The administration team will be happy to help at kinetonhighschool@stowevalley.com.

Yours sincerely,

Mrs Laura Nussey
Deputy Headteacher
