Policy Number: B121
Title: Evaluation of Educational Programs
Section: Programs

I. Purpose

The Director shall periodically provide to the Joint Committee a systematic short-range and long-range plan for the continuing qualitative assessment of the progress of the educational programs toward the goals established by the Joint Committee.

II. Authority

The Director shall conduct this assessment using such tests and measurements as may be indicated by generally accepted professional practice and best professional judgment. These tests shall not infringe upon the rights of students or their parents, comply with applicable laws and regulations, and shall not be traceable to individuals.

The Director shall annually recommend improvements in the program and staff based upon the evaluation of the EASTERN's program.

III. Report

The Director shall prepare a report to the Joint Committee annually. This report must relate the progress of the educational programs and the results of this evaluation.
