Policy Number: B117
Title: Placement and Follow-up
Section: Programs

I. Purpose

The follow-up of graduates from EASTERN is vital to the growth and improvement of the instructional program. This study, when related to evaluation and program improvement, results also in increased cooperation between various agencies of the community.

II. Authority

The Joint Committee shall receive a follow-up survey of graduated students annually. The Director shall conduct the collection and dissemination of information concerning the employment and continuing education of graduates from EASTERN. The primary emphasis of this survey shall be the evaluation and improvement of instructional programs

III. Reports

The Director shall publish the results of this survey during the first week in November. The results will be submitted to the Joint Committee at the regular monthly meeting in November.
