Policy Number: B123
Title: Cooperative Educational Agreements
Section: Programs

I. Purpose

The Joint Committee recognizes the value of utilizing the expertise and resources of other public and private agencies to enhance the educational experience of students attending EASTERN.

II. Definitions

For the purpose of this policy, “cooperative educational agreements” shall be defined as a specific contract with an individual, agency or corporation (public or private) to provide students with experiences not available through the existing programs, staff or facilities. Cooperative educational agreements may be developed to provide educational opportunities as they relate to the following:

Providing instructional sites other than EASTERN;
Providing students with instruction not available through EASTERN staff; and
Providing access to facilities necessary for students to obtain clinical experiences.

III. Responsibility

The Director shall be responsible for identifying the need and/or opportunity to provide educational experiences which meet the mission of EASTERN and are best provided through cooperative arrangements with external agencies or individuals. All proposals shall be reviewed and endorsed by the Administrative Advisory Committee. The Joint Committee shall authorize the Director to enter into agreements which satisfy the requirements set forth by the Administrative Advisory Committee.

The Director shall be authorized to modify or renew all agreements which maintain the intent of the original agreement.
