Policy Number: B113
Title: Technical Mathematics
Section: Programs

I. Purpose

The Joint Committee shall provide a Program of Technical Mathematics for all students who indicate a need for improvement in their computational skills to improve their potential for success in the career and technical program and employment in their selected occupation.

II. Responsibility

The Director shall be responsible for:
recommending staff requirements
planning the curriculum
evaluation and reporting of student progress
selection of textbooks, workbooks, testing instruments, audio visual aids, and other instructional materials and equipment.
