Administrative Professionals' Day

Thursday, April 23rd

These ladies are invaluable to our school and district! They juggle 90 things at once and often fill-in and play different roles. Their flexibility, communication, and multitasking help our school run smoothly daily! Please take a moment and thank them this week!

Field Day 2026

Friday, May 15th

Field Day is an exciting day for your children. We are in need of some items to help the day run smooth and make it extra special. If you could please get with your child's teacher to see if there is a need for a cooler, extra snacks, or anything extra to make the day special. Thanks for your help and participation to make this years Field Day extraordinary!

Message from the Nurse

Dear Parents and Guardians

As we prepare for the end of the school year and summer break, this is a reminder to pick up any medications that were given to the school nurse throughout the school year. Please note that we cannot send any medications home with students an adult must obtain these medications from the nurse or adult in the office. The last day to pick up medication will be May 21, 2026. Any medication that is not picked up by this date will be disposed of properly. If you have any questions, please contact the school nurse. Thanks!

Kaygan Johnson, LYN

Millsap Elementary Nurse

940-271-2611

How to Finish the School-Year Strong

1. Create a Countdown Calendar

2. Keep Bedtime Routines the Same

3. Stick to Healthy Foods

4. Celebrate Accomplishments

5. Don't Fall Out of Routines

6. Pick a Summer Reading List

7. Get Outdoors

8. Take Time to Reflect

9. Start Planning Summer Activities

10. Sign Up for Summer Camp

It's all about the Music

Band is an amazing elective choice that can open many opportunities for students. We will teach your child to play an instrument and also learn how to read music. This is the only fine art in Millsap that is cohesive and continuous from 4th-12th grade. The Pride of Millsap band program is also one of the most successful groups in school history. We want to offer your child the opportunity to be a part of this prestigious organization. We understand that finances can be an issue and we ask that you never think about this when deciding music as an elective. We have donors within our district who will bend over backwards to help a student see their potential through Band. We also some school owned horns that are loaned out to ease any financial worry. If a student has an interest in band we are committed to helping them find a way to be part of our musical family. As far as a time commitment we only require three nights out of the entire year for our concerts. Everything else will take place during the school day.

Attention:

5th graders going to 6th grade...

Want to be in the BAND?

Get your interest forms turned into Ms. Dunn
