

# BUILD BEYOND

## Invent Tomorrow Challenge

### Sustainable City Design Contest

The Cradle of Aviation Museum presents a professional development workshop for the **Build Beyond: Invent Tomorrow Challenge**. Designed for middle school students, this challenge invites participants to design and build a sustainable city model. Educators will receive an overview of the challenge, helpful resources, and the opportunity to ask questions.

**Date: May 20<sup>th</sup>**

**Time: 1:00 PM - 3:00 PM**

**Location Cradle of Aviation Museum  
Charles Lindbergh Blvd. Garden City**

**Scan QR code for registration and info**
