

CISD Special Board Workshop Meeting
President's Report
April 20, 2026

Good evening

I want to begin by recognizing a proud moment for our district. This past week, the Carroll ISD Board of Trustees was honored with two awards at the Texans for Excellence in Education and Leadership Institute training conference. These recognitions reflect a shared commitment, not just from the Board, but from our entire district, to lead with courage, vision, and conviction in support of our students, staff, and community. We are grateful for this acknowledgment and remain focused on continuing that work every day.

I also want to highlight an important opportunity for our students and families. This Saturday, April 25, Carroll ISD will host the North Texas U.S. Service Academies Forum at our Performing Arts Center. This is a tremendous opportunity for middle and high school students to learn about service academies, meet representatives, and explore pathways to serve our country. We encourage families to attend and take advantage of this unique experience.

To our staff, thank you. Your dedication is the reason our district continues to excel. You should have received the second \$1,000 payment in your April paychecks, as part of our ongoing commitment to support and invest in you. Additionally, we plan to vote tonight on a pay raise that will move our teachers and staff into a more competitive position with neighboring districts. This is a critical step in ensuring we attract and retain the very best educators and professionals for our students.

Importantly, these investments are possible because of the strong support from our community. This past November, voters approved the VATRE, allowing us to prioritize our teachers and staff while maintaining the high standards expected of Carroll ISD.

We are grateful for a community that believes in our district, supports our staff, and invests in our future.
