# **NEWS**

**IMPORTANT!**

**We have seen an increase in requests from students and parents asking administration to review security camera footage to locate lost items.**

**Please understand that our cameras are in place to support the safety and security of our campus and are not used to track misplaced belongings.**

**With approximately 1,000 students, reviewing footage is reserved for safety-related concerns. We strongly encourage families to be mindful of items brought to school, particularly expensive or irreplaceable belongings, as teenagers may misplace them during the school day.**

**Thank you for your partnership in reinforcing responsibility and helping us keep our focus on maintaining a safe learning environment.**
