### **Rising 6th Grade Electives**

Our newest middle school students will automatically rotate through a selection of trimester based elective courses. Rotating classes for all academics and electives can be a daunting experience. For this reason, St. Mark provides a predetermined series of classes for these students that will provide the opportunity to grow foundational skills in study habits, organization as well as self advocacy in navigating their new schedules.

All 6th grade students will experience the following trimester based classes:

Study Skills

Spanish 6

Living in Virtue

PE

Art 6

Computer

Music 6

Students registered for Band will not be scheduled for Art and Music as Band is a year round program.

\* Please see the school's webpage for additional course descriptions.

## Rising 7th Grade Elective Selection
